(MULTI-PROGRAM)**

THIS CLINICAL TRAINING AFFILIATION AGREEMENT (“AGREEMENT”) is made and entered into between Washington State University (“WSU”), located at Pullman, Washington, and Lake Stevens School District , a public K-12 school (“HOST AGENCY”), located at Lake Stevens Washington, Snohomish County, (hereinafter referred to sometimes as “PARTY” individually or “PARTIES” jointly).

The purpose of this AGREEMENT is to guide and direct the PARTIES respecting their affiliation, working arrangements, and agreements in furtherance thereof to provide high-quality clinical learning experiences (“CLINICAL LEARNING EXPERIENCES”) for WSU students (“STUDENTS”) in all of the WSU programs in its Colleges of Medicine, Pharmacy and Pharmaceutical Sciences, and Nursing (“PROGRAMS”) at all sites of the HOST AGENCY, unless expressly agreed otherwise in writing. Any agreement terms specific to any PROGRAM will be added as consecutively numbered addenda at Exhibit A to this AGREEMENT (e.g., Exhibit A-1, Exhibit A-2), if needed.

Notwithstanding anything in this AGREEMENT to the contrary, the PARTIES agree and acknowledge that HOST AGENCY shall not by entering into this AGREEMENT be obligated to accept STUDENTS for CLINICAL LEARNING EXPERIENCES. It is at the sole discretion of HOST AGENCY whether HOST AGENCY will accept STUDENTS for CLINICAL LEARNING EXPERIENCES.

This AGREEMENT will replace and supersede any previously-entered affiliation agreements between WSU and HOST AGENCY for CLINICAL LEARNING EXPERIENCES for STUDENTS in the PROGRAMS.

rights or its legal obligations to any third party.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the PARTIES agree as follows:

A. Operational Details

WSU and HOST AGENCY agree that contemporaneous with or following execution of this AGREEMENT, and within the scope of its provisions, WSU and HOST AGENCY may develop letter agreements to formalize operational details of the CLINICAL LEARNING EXPERIENCES. These details may include, but are not limited to, the following:

1. Beginning dates and length of the CLINICAL LEARNING EXPERIENCE (to be mutually agreed upon by the PARTIES at least one month before the beginning of the CLINICAL LEARNING EXPERIENCE);

B. Responsibilities of WSU

1. WSU will plan and determine the adequacy of the educational experience of the STUDENTS in theoretical background, basic skill, professional ethics, attitude and behavior and shall assign to the HOST AGENCY only those STUDENTS who have satisfactorily completed the prerequisite didactic portions of the applicable WSU PROGRAM curriculum.
2. WSU will retain ultimate responsibility for the education and assessment of its STUDENTS. WSU's representative for this AGREEMENT shall be a faculty member appointed and assigned by WSU, who will be responsible for STUDENT teaching and assessment provided pursuant to this AGREEMENT.
3. WSU will advise all STUDENTS assigned to the HOST AGENCY facilities regarding the confidentiality of patient/client records and patient/client information imparted during the CLINICAL LEARNING EXPERIENCE. WSU will also advise all STUDENTS that the confidentiality requirements survive the termination or expiration of this AGREEMENT.
4. WSU will recommend (but cannot require) that all participating STUDENTS maintain health insurance. WSU will inform STUDENTS if HOST AGENCY makes

health insurance a condition for STUDENTS to participate in a CLINICAL LEARNING EXPERIENCE. Where health insurance is a requirement for placement, the HOST AGENCY may request the STUDENT provide proof of health insurance prior to beginning of the CLINICAL LEARNING EXPERIENCE.

5. WSU will verify that all STUDENTS placed at HOST AGENCY have completed an appropriate criminal background check, have documented appropriate immunizations on file with WSU, and have complied with any other health or education requirements of the HOST AGENCY or any applicable governing organization. HOST AGENCY shall notify WSU of HOST AGENCY's requirements for evidence of criminal background check, documentation of immunizations, and any other applicable health or education requirements, and WSU will inform the STUDENTS of such requirements. WSU will also inform STUDENTS that they may be required to undergo a drug test or other similar screening tests pursuant to the HOST AGENCY's policies and practices, and that the cost of any such test will be paid by the STUDENT, if not the HOST AGENCY.
6. WSU will advise STUDENTS that they are required to comply with HOST AGENCY rules, regulations, and procedures.
7. If requested by the HOST AGENCY, WSU will provide instruction to the HOST AGENCY's staff with respect to WSU's expectations regarding assessment of WSU's STUDENTS at the HOST AGENCY.
8. WSU warrants and represents that it will place at HOST AGENCY only those STUDENTS who WSU has verified are insured for professional liability for actions or inactions occurring in the clinical setting. WSU provides professional liability insurance or self-insurance for purchase by its STUDENTS with minimum limits of at least \$1,000,000 per occurrence and \$3,000,000 annual aggregate. If requested by the HOST AGENCY in writing, WSU shall provide a certificate of insurance evidencing professional liability coverage for STUDENTS engaging in a CLINICAL LEARNING EXPERIENCE at the HOST AGENCY. Should proof of insurance not meet with HOST AGENCY's approval and satisfaction, HOST AGENCY may decline any STUDENT for placement.
9. If the PARTIES anticipate that WSU's faculty may perform official duties in furtherance of the Agreement while present at HOST AGENCY's facilities, HOST AGENCY may, in accordance with its official policies and procedures, request WSU to provide information and records regarding the on-site faculty's: tuberculous status, immunization status, communicable disease testing results, insurance status, citizenship/immigration status, professional licensing status, CPR training status, criminal background check results, drug screening results, and other such information which HOST AGENCY may reasonably require to permit faculty access to its facilities. Upon receiving faculty written consent, WSU will release such information/records to HOST AGENCY.
10. WSU and its officers, employees, and agents, while acting in good faith within the scope of their official WSU duties, are covered by the State of Washington Self-Insurance Liability Program (RCW 4.92.130) and the Tort Claims Act (RCW 4.92.060 et seq.), and successful claims against WSU and its employees, officers, and agents in the performance of their official WSU duties in good faith under this AGREEMENT will be paid from the tort claims liability account as provided in RCW 4.92.130.

C. Responsibilities of the HOST AGENCY

1. The HOST AGENCY has a responsibility to maintain a positive, respectful, and adequately resourced learning environment so that sound educational experiences can occur. Therefore, the HOST AGENCY will provide STUDENTS and faculty with access to appropriate resources for STUDENT education including, as applicable and appropriate to the PROGRAM and the HOST AGENCY: a) access to patients at HOST AGENCY facilities in an appropriately supervised environment, in which the STUDENTS can complete WSU's curriculum; b) STUDENT security badges or other means of secure access to patient care areas and identify their trainee status; c) personal protective equipment (PPE) that complies with the standards set by the applicable governmental body or agency; d) access and required training for STUDENTS in the proper use of electronic medical records or paper charts; e) computer access; f) secure storage space for STUDENTS' personal items when at the HOST AGENCY; and g) access to call rooms, if necessary.
2. While in HOST AGENCY's facilities, STUDENTS will have the status of trainees; are not to replace HOST AGENCY staff; and, are not to render unsupervised patient care and/or services. All services rendered by STUDENTS must have educational value and meet the goals of the CLINICAL LEARNING EXPERIENCE. HOST AGENCY and its staff will provide such supervision of the educational and clinical activities as is reasonable and appropriate to the circumstances and to the STUDENT's level of training.
3. The HOST AGENCY staff will, upon request, assist WSU in the assessment of the learning and performance of participating STUDENTS by completing assessment forms provided by WSU and will return completed forms to WSU in a timely fashion.
4. The HOST AGENCY will provide for the orientation of WSU's participating STUDENTS as to the HOST AGENCY's rules, regulations, policies, and procedures.
5. The HOST AGENCY agrees to comply with applicable state and federal workplace safety laws and regulations. In the event that HOST AGENCY does not have the resources to provide such emergency care, HOST AGENCY will refer such STUDENT to the nearest emergency department or appropriate provider to render any necessary care and treatment. WSU will define, for its STUDENTS, who bears financial responsibility for any charges generated. To the extent possible HOST AGENCY will determine, in the usual manner, the source

patient's Hepatitis B, Hepatitis C, and HIV status, according to applicable laws and regulations. HOST AGENCY will not be financially responsible for the provision of the care described in this Section.

6. To the extent the HOST AGENCY generates or maintains educational records related to the participating STUDENT, the HOST AGENCY agrees to comply with the Family Educational Rights and Privacy Act (FERPA), to the same extent as such laws and regulations apply to WSU and shall limit access to only those employees or agents with a need to know. For the purposes of this AGREEMENT, pursuant to FERPA, WSU hereby designates HOST AGENCY as a school official with a legitimate educational interest in the educational records of the participating STUDENT(s) to the extent that access to WSU's records is required by HOST AGENCY to carry out the program.
7. HOST AGENCY will maintain professional and commercial general liability insurance policies in an amount that is commercially reasonable for the size of the HOST AGENCY organization and risks based on HOST AGENCY business operations and patient care services. Professional and commercial general liability insurance will provide covering in the amount of no less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate. HOST AGENCY will provide proof of insurance upon request.
8. The HOST AGENCY will provide written notification to WSU promptly if a claim arises involving a STUDENT. The HOST AGENCY and WSU agree to share such information in a manner that protects such disclosures from discovery to the extent possible under applicable federal and state laws including peer review and joint defense laws.
9. The HOST AGENCY will resolve any situation in favor of its patients' welfare and restrict a STUDENT to the role of observer when a problem may exist until the incident can be resolved by the staff in charge of the STUDENT or the STUDENT is removed. The HOST AGENCY will notify WSU representative if such an action is required.
10. The HOST AGENCY shall identify a representative from among its staff who will communicate and cooperate with WSU's representative to ensure faculty and STUDENT access to appropriate resources for the CLINICAL LEARNING EXPERIENCE.

The PARTIES will cooperate to evaluate the learning environment (which may include on-site visits) to identify positive and negative influences on the maintenance of professional standards, and to conduct and develop appropriate strategies to enhance the positive and mitigate the negative influences. HOST AGENCY shall require its faculty and staff who interact with STUDENTS to adhere to the expectations set forth in Section E of this AGREEMENT, and communicate STUDENT violations to WSU. WSU agrees to inform its STUDENTS that they are required to adhere to the expectations set forth in Section E of this AGREEMENT.
6. Each Party to this agreement will be responsible for the negligent acts or omissions of its own employees, officers, or agents in the performance of this Agreement. Neither Party will be considered the agent of the other and neither Party assumes any responsibility to the other Party for the consequences of any act or omission of any person, firm, or corporation not a party to this Agreement.
