

Parents and Guardians:

There will be a Bear Pride Trip at the end of each 9 Week grading period. This positive behavior incentive is to encourage students to attend school and be responsible for their grades and actions. By doing this, we want to reward students with a fun-filled trip during a school day. Each 9 weeks the qualifications start over **except** the fundraiser. It is a one-time event that is good for all 4 trips. We have set very clear expectations on how to qualify for these events. Please see below the qualifications to be eligible for the Bear Pride Trips.

1. participation in the Bear Pride fundraiser (August and September)
2. no lunch detentions
3. passing all classes
4. no zeroes
5. no tardies
6. no outstanding fines
7. no ISS or office referrals
8. no more than 1 unexcused absences
9. no more than 1 leave early or late arrival
10. excused absences must have a Drs note

By signing below, I understand the expectations and qualifications my student must meet to attend these events. If you have any questions, please contact Melissa Barrett at 903-849-6436.

Student name: _____

Parent Signature: _____
