New Board of Directors

Hello Friends!

After completing our most successful year yet, the LEISD Education Foundation has kicked off the new school year with renewed energy in supporting the teachers and students of LEISD. We want to extend special thanks to our outgoing Board President, Denise Hanti, for all of the effort she gave to help the Foundation grow.

Elections for the 2019-2020 Board of Directors were held in September. We welcome some new faces to the group, and we look forward to a productive year as we serve to enrich, inspire and innovate the classrooms of our LEISD classrooms!

Open Board Positions

The Education Foundation still has a few openings on the Board, and we would love to have you join us. We are also looking for volunteers who would like to serve as Friends of the Foundation, a group that will meet quarterly and assist the Board with community events. For more information, contact Deidre Miller at 972-832-3216 or email her at admin@littleelmsdeducationfoundation.org.

Innovative Teaching Grant Applications Are Open!

The 2019 Innovative Teaching Grants will be awarded in November. Grant applications have opened, and we are encouraging all teachers of LEISD to take advantage of this opportunity to apply for funding for special items or projects for their classrooms. Last year, LEISDEF awarded over \$23000, and we are excited to see the incredible ideas these teachers submit this year!
