## Back to School!

LEISD Education Foundation is excited to support the students and staff of our great district as we kick off the school year. Community involvement is a key component for a thriving school district, and we are looking forward to several upcoming opportunities."

## Class of 2021 Senior Sunrise

LEISD Education Foundation and our LEISD Alumni Association were excited to assist with the Senior Sunrise at Little Elm High School. Approximately 225 students gathered for the annual tradition of watching the sunrise together as a class. We provided donuts and juice to the students and wished them a great Senior Year!
