Dear Croton-Harmon High School Families,

Highlights at CHHS

It is hard to believe that it is already December! There was a lot of energy in the building coming back from the Thanksgiving holiday. We are getting ready for games and tournaments for our winter sports beginning this week and weekend as well as looking forward to our winter concert next week.

We had our Hall of Distinguished Graduates event on Monday, November 25. It was a very special day here where we inducted Julio Garcia (class of 1989) and Allyson Seeger (class of 2002). Students from our building planning council introduced the graduates and then took them around to visit classes and see the building as well as joined them for breakfast and lunch. The graduates made speeches for the entire student body in an assembly and shared some thoughts including how they pushed outside of their comfort zones when it came to thinking about post-secondary plans and college as well as how they seized opportunities that they were passionate about when they were in high school that turned into a career.
