Dear Croton-Harmon High School Families,

Highlights at CHHS

Thank you to everyone who joined us for our College Symposium on Wednesday evening. Mr. Maxam along with the counseling department put together a fantastic and informative program drawing professionals from all aspects of the college search and application process. This is a yearly event, so if you were not able to join us this year, we look forward to having you next year.

Yesterday, the entire study body had the pleasure of seeing a preview of *Into the Woods*. I am so proud of our students and awed by their talent. In addition, our cast and crew put on a performance for our senior citizens last night. We are so excited for opening night this evening - it is not too late to buy tickets. Students who come in a group of 4 can purchase half price tickets at the door as well! Please come support our talented students and enjoy a fantastic musical.
