Dear Croton-Harmon High School Families,

Highlights at CHHS

The Student Faculty Congress retreat was last Thursday and Friday. Our students had the opportunity to spend time on an overnight retreat at the Edith Macy Center setting goals and developing leadership skills with their faculty advisors and other faculty members of the group.

Our Guidance Department hosted a Financial Aid Night for parents on 10/23. It was well attended and informative. Our next evening college event is on 11/20 - the College Symposium.

Faculty, staff, and students participated in Unity Day on 10/23 and showed their support to end bullying and foster a climate of kindness, acceptance, and inclusion. Although there is one day to formally recognize it, this is something we work on every day and we appreciate partnering with students and families to make sure our environment is one of kindness, acceptance, and inclusion.

During parent teacher conferences on **11/5**, we will have the “Hidden in Plain Sight Room” set up all day in the community room and Kayla Morales, our Student Assistance Counselor, will be there to discuss the display and talk through any questions related to vaping, substance use, etc. This is a great opportunity to engage in the discussion if you were not able to make it to the principal’s coffee on October 15.
