Dear Croton-Harmon High School Families,

Thank you for your support in a wonderful first week of school! Each week, I will send out a brief update about the week and highlight some upcoming events. I hope that this regular, brief communication will be helpful to you and keep you informed about all of the exciting things happening at our school and try to consolidate important information into one weekly communication..

We had an energetic and exciting first week of school. Thank you to our PTSA who hosted a bagel breakfast for the Class of 2023 on Tuesday. The new freshmen had a wonderful start to their school year with their big buddies (pictured below) before the 10th-12th graders joined them later in the day. Our summer construction projects are just wrapping up and the building looked beautiful for our first day with students!
