Plans for the Annual Assessment: Each year a comprehensive annual assessment is required to be filed with the 4th quarterly report by the date specified in the IHIP. The 3rd quarterly report should include plans for the annual assessment. In some cases, (i.e. grades 1-8) there is a choice of two types of assessment: a commercially published, norm-referenced achievement test or a written narrative. Standardized testing can be selected from the following: California Achievement Test, Comprehensive Test of Basic Skills, Iowa Test of Basic Skills, Stanford Achievement Test, Metropolitan Achievement Test, or the State Education Department Test.

Alternative Evaluation Methods: A written narrative can be substituted for standardized testing in grades 1 through 3. In grades 4 through 8, a written narrative may be submitted **only every other year**. With the consent of the home district superintendent, narrative evaluations can be prepared by a certified teacher, a home instruction peer group review panel, or other qualified person. Any costs involved are the responsibility of the parents. For more information, please see the Putnam/Northern Westchester BOCES Regional Home School Handbook. Please indicate which assessment plan you will submit with the 4th quarter report:

An IHIP must include a list of syllabi, curriculum materials, textbooks, or a plan of instruction to be used in each required subject. A table of contents from an appropriate textbook or a scope and sequence chart may be submitted if it describes the content that will be taught.
