**Section 12.1. Employee Insurance Eligibility**

The District shall contribute the maximum allocation provided by the state, per employee, per month, on an FTE basis for a twelve (12) month pay schedule for all employees enrolled in the mutually agreed upon medical, dental and vision insurance plans. Any funds in excess of the employee's insurance costs shall be pooled and available on a prorated basis according to the employee's FTE status effective on October 15 of each school year. Employees must work a minimum of four (4) hours per day to be eligible to participate in the insurance pool.

Each employee of this bargaining unit who works a minimum of four (4) hours per day or twenty (20) hours per week shall be allotted the maximum allocation provided by the State, per month per full-time equivalent (FTE) to cover medical, dental, vision, and life insurance. Employees receiving benefits prior to the implementation of this Agreement shall not suffer a reduction as a result of this Agreement.

**Section 12.2. Employee Insurance Allocation Calculations**

Insurance benefits shall be calculated on 1,440 hours for all bargaining unit employees with the exception of paraeducators. Insurance benefits for paraeducators are herein contained in Section 12.2.1.

**Section 12.2.1.**

Paraeducator insurance allocations per FTE with a minimum of four (4) hours per day are eligible to participate in the medical plan. Placement on the insurance tiers is determined by the date the employee becomes eligible for medical benefits (four hours or more per day). Employees with 3.75 hours or more qualify for dental and vision benefits. Following are the insurance Tiers:

A. "Tier 1" employees hired before September 1, 1991, shall receive one (1) full FTE state insurance allocation. When an employee in Tier 1 leaves District employment, the two (2) senior employee(s) in Tier 3 shall receive the state insurance allocation provided in Tier 2 on September 1 of the next school year. The District shall notify the affected employees of their new benefit status on or before September 1.

B. "Tier 2" employees who became eligible for medical benefits on September 1, 1991 through August 31, 1995 shall receive state allocated insurance benefits prorated based on his/her hours to one-thousand, four-hundred and forty (1440) hours to equal one (1) FTE. When an employee in Tier 2 leaves District employment, the two (2) senior employee(s) in Tier 3 shall receive the state insurance allocation provided in Tier 2 on September 1 of the next school year. The District shall notify the affected employee of their new benefit status on or before September 1.

C. "Tier 3" employees who became eligible for medical benefits on August 1, 1997 or after shall receive state allocated insurance benefits prorated based on his/her hours to two-thousand, eighty (2080) hours to equal (1) one FTE.

When all Tier 3 employees have moved to Tier 2 the tier system and all language relating to it will be eliminated and Section 12.2. amended to include all employees. If any employees remain who are at the Tier 1 level, they will be grandfathered at that time.
The allotment shall be based on an employee’s compensated hours, prorated on the basis of one (1.0) full-time equivalent (FTE) equal to 1,440 annual scheduled compensated hours. An employee hired during the school year will receive insurance contributions equal to the employee’s FTE. Excess contributions shall be pooled. (Required by RCW 28A.400.280): e.g.

Calculation for Insurance Allocation by FTE:
Total Hours Worked Per Year divided by 1,440 hours = % of Insurance Allocation

Example: Based upon a 6.5 hour employee paid 182 days per year,
6.5 x 182 = 1,183 Total Hours divided by 1,440 = 82%. This employee would receive 82% of the monthly allotment.

Section 12.3. Employee Insurance Pooling

The District shall provide pooling of benefits for those employees in the bargaining unit. “Pooling” shall be defined as the sharing of excess benefit dollars on an FTE basis, among the bargaining unit employees. “Excess benefit dollars” shall be defined as those benefit dollars which are not utilized by an employee in meeting the costs of the agreed upon medical, dental and vision and life insurance programs outlined in Section 12.1 and the required monthly State Health Care Authority subsidy. Such pooling shall be done in accordance and compliance with State requirements (Required by RCW 28A.400.280):

Section 12.4. Employee Insurance Provisions Upon Termination of Employment

Insurance payments shall be made on a twelve (12) month basis; provided, however, that insurance coverage shall cease upon termination of employment with the District. Employees who have out-of-pocket costs and wish to continue insurance coverage during the summer must turn in the employee’s share of the insurance premium to the District office by the first (1st) of each month unless an alternative arrangement has been made between the District and the employee. Upon termination of employment from the District the employee has the ability to continue their insurance coverage through COBRA.

Section 12.4.1. Employees who do not work sufficient hours as specified in Section 12.1 to receive benefit contributions from the District may purchase those benefits by paying the amount that the District would contribute if they worked the number of hours required to be eligible. The insurance premium must be turned in to the District office by the first (1st) of each month.

Section 12.5. The District shall pay dental and vision insurance for all employees that average five hundred and fifty (550) hours or more per school year. Employees receiving benefits prior to the implementation of this Agreement shall not suffer a reduction as a result of this Agreement.
Section 12.65. Tort Liability Coverage
The District shall provide tort liability coverage for all employees subject to this Agreement.

Section 12.76. State Industrial Insurance Contributions
The District shall make required contributions for State Industrial Insurance on behalf of all employees subject to this Agreement.

Section 12.87. PERS/SERS Provisions
In determining whether an employee is eligible for participation in a Washington State Public Employees’ retirement system, the District shall report all hours worked, whether straight time, overtime or otherwise.

ARTICLE XIII

Section 13.1. Staff Development.
The Association and the District will cooperate in developing in-service programs needed by the members. The District will provide three thousand dollars ($3,000.00) per year for professional development (workshops, seminars, etc.). The specific expenditure of these funds will be determined by a joint committee of four (4) members (two from the Association and two from the District). These funds will not be spent on union related meetings, seminars, conventions, or workshops unless specifically authorized by the District.

Section 13.2.
The parties agree to the continuation of the Apprenticeship and Training Committee.

All employees enrolled in the Washington Joint Apprenticeship and Training Council shall be subject to all terms of this Agreement. The local JATC shall be responsible for the operational duties related to the program.

Section 13.3. Required Training.
The parties agree to address the issue of training required by state, federal or local statute that may be required for the employees to retain their job with the District.

ARTICLE XIV
MEMBERSHIP

Section 14.1. Association Membership and Checkoff
Each employee subject to this Agreement shall, as a condition of employment, be a member of the Public School Employees of Newport bargaining unit and its affiliation, and pay a service charge equivalent to normal dues of the Association.

The District, upon receipt of a signed authorization card, shall enforce this provision by deducting from the salary payment to members of the bargaining unit the dues required for membership in the bargaining unit, or for non-members thereof, a fee equivalent to such dues.

This provision safeguards the right of non-association of employees based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall pay an amount of money equivalent to regular dues and fees to a non-religious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the dues and fees. If the employee and the bargaining representative do not reach agreement on such matter, the Public Employment Relations Commission shall designate the charitable organization.

The Association agrees to defend, indemnify and hold the District harmless against any and all claims, suits, orders, or judgments brought or issued against the District as a result of any action taken or not taken by the District pursuant to proper implementation of the provisions of this section.

Section 14.2. Membership Audit.
The District shall deduct PSE dues or service charges from the pay of any employee who authorized such deductions in writing pursuant to RCW 41.6.110. The District shall transmit all such funds deducted to the Treasurer of the Public School Employees of Washington on a monthly basis and include the following information:

A. Employee’s name
B. Current address
C. Phone number
D. Current classification/job title
E. Amount of dues deducted
F. Social security number

Section 14.3. Political Action Committee.
The District shall, upon receipt of a written authorization form that conforms to legal requirements, deduct from the pay of such bargaining unit employee the amount of contribution the employee voluntarily chooses for deduction for political purposes, and shall transmit the same to the Union on a check separate from the Union dues transmittal check. Section 14.1 of the Collective Bargaining Agreement shall apply to these deductions. The employee may revoke the request in writing at any time. At least annually, the employee shall be notified about the right to revoke the request by Public Employees of Washington.

ARTICLE XV
GRIEVANCE PROCEDURE

Section 15.1. Grievance Procedure
Grievances or complaints arising between the District and its employees within the bargaining unit as defined in Article I herein, with respect to matters dealing with the interpretation or application of the Terms and Conditions of this Agreement shall be resolved in strict compliance with this Article.

Section 15.1.2. Workday Defined
For the purpose of this section “workdays” are defined as those days that the District Administration Office is open for business.

Section 15.2. Grievance Steps.

Step 1 – Informal.
Employees shall first discuss the grievance with their immediate supervisor. If employees so wish, a local Association representative at such discussion may accompany them. All grievances not brought to the immediate supervisor in accordance with the preceding sentence within twenty (20) workdays of the occurrence of the grievance shall be invalid and subject to no further processing.

Step 2 – Superintendent or Designee.
If no settlement has been reached within five (5) workdays after receipt of the grievance by the immediate supervisor a written statement of the grievance shall be submitted within ten (10) workdays to the Superintendent. The written statement shall contain the following information:

A. The facts on which the grievance is based;
B. A reference to the provisions in this Agreement which have allegedly been violated; and
C. Remedies sought.

After receipt of the written statement, the Superintendent will have ten (10) workdays in which to resolve it by indicating on the statement of grievance his/her recommendations regarding the disposition. If the employee so wishes, an Association representative at this step and subsequent steps.
may accompany him. If an agreeable disposition is made, all parties to the grievance shall sign it signifying that the grievance has been resolved and is subject to no further processing.

**Step 3 – Arbitration.**

If no settlement has been reached within ten (10) workdays referred to in Step 2, and the local Association believes the grievance to be valid, it may, by written notice to the Superintendent within fifteen (15) workdays after receipt of the Superintendent’s decision, submit the grievance to binding arbitration. If any question arises to the arbitrability, the arbitrator selected to hear the dispute will first rule upon such question.

Within twenty (20) workdays after such written notice of submission to arbitration, the Superintendent and the Association will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the twenty (20) workday period, either party may make a request for a list of arbitrators to the American Arbitration Association subject to any modifications as provided herein. Neither party shall be permitted to assert in the arbitration proceedings any evidence that was not submitted to the other party before the completion of Step 2.

The arbitrator’s decision will be in writing and will set forth his/her findings of fact, contract interpretations, reasoning and conclusions of law on the issues submitted. The arbitrator shall have no authority to extend, alter or modify the terms of this Agreement and shall limit his/her findings and decisions solely to the interpretation and application of this Agreement. He/she may not award damage or a relief not actually contemplated by the Agreement. The decision of the arbitrator will be final and binding upon the parties.

The parties will share the costs for the services of the arbitrator, including per diem expenses, if any and his/her travel and subsistence expenses and the cost of any hearing room equally. All other costs will be borne by the party incurring them.

**Section 15.3. Time Limits.**

Failure of either party to comply with the time limits set forth above will serve to declare the grievance based upon the last request made or the last answer provided, and no further action shall be taken. The time limits as specified may be extended by mutual agreement of the parties.

**ARTICLE XVI**

**SALARIES AND EMPLOYEE COMPENSATION**

**Section 16.1. Employee Compensation**

Employees shall be compensated in accordance with the provisions of this Agreement for all hours worked. Each employee shall receive a full accounting and itemization of authorized deductions, hours worked, and rates paid with each paycheck.

If the school District to which the person transfers has a different system for computing leave benefits, and other benefits, then the employee shall be granted the same seniority, leave benefits and other benefits as a person in that District who has similar occupational status and total years of service.

Section 16.3. Overnight Reimbursement.
Employees required to remain overnight on District business shall be reimbursed for room and board expenditures.

Mileage and meal expenses shall be reimbursed at the appropriate rates. If a District vehicle is not available, the employee may use their own vehicle with prior approval. The employee shall be reimbursed mileage at the IRS rate.

When the District assigns additional duties to a specific employee, the employee will be provided any necessary, specific training as determined by the Supervisor within a reasonable time prior to the date of implementation.
