OLD BUSINESS

Solicitor: Robert Kidwell, Esq. – No report.

NEW BUSINESS

Monroe Career & Technical Institute: Ms. Linda Micklos –

Ms. Micklos reported on the meeting held on Monday, September 12, 2016:

- The Comprehensive Plan is currently posted on the MCTI website and can be viewed until September 28th.
- The Pre-NOCTI tests will be administered from September 29th to October 14th with 253 seniors eligible to take the pre-test.

- The 9th grade students have been placed in a Keystone Prep/Study Hall program where students will use software called “Catchup Math,” which is a self-paced algebra program. This program will provide additional math instruction and will eliminate the hour long lunch previously provided to the 9th grade students.
- The JOC approved the MCTI Educational Support Association Collective Bargaining Agreement effective July 1, 2016 to June 30, 2019.

Ms. Micklos stated that the next JOC meeting will be held on Monday, October 3rd.

Colonial IU20: Mr. Daniel Wunder – No report.

PSBA Legislative Liaison Report: Ms. Susan Kresge –

Ms. Kresge stated that the House of Representatives returned to session this week and both the House and the Senate will return next Monday, September 26th. She also reported that PSBA thanked all those who responded to PSBA’s Legislative Alert stating that the House Urban Affairs Committee pulled House Bill 1993 from this week’s meeting agenda, which is legislation that removes the rights of school districts to conduct appeals of under-assessed property. Ms. Kresge stated that there is the possibility that this issue will come up under other bills and that PSBA will send alerts as to when to contact our legislators. Ms. Kresge also reported that state Auditor General Eugene DePasquale held a news conference for an overhaul of Pennsylvania’s 20-year old charter school law, highlighting recent audits of three charter schools and recommending changes. She further reported that the House Rules Committee approved House Bill 1155 amending the Sunshine Act to require public agencies that have a website to post public meeting agendas on its site no later than 24 hours prior to the meeting and to post and make the agenda available at the location of the meeting.

Student Representative: Ms. Katya Slozina, President

Mr. Gould welcomed Ms. Slozina to the meeting. Ms. Slozina stated that all are excited about the new school year and that it was a smooth opening with class meetings being held the first week of school. She reported that the homecoming game against East Stroudsburg North is scheduled for Friday, October 14th and the homecoming dance is scheduled for Saturday, October 22nd. She stated that planning for the high school Mini Thon to be held in February has begun and the event will be a district-wide activity with proceeds going towards the fight against childhood cancer. Ms. Slozina stated that PV athletes and students are teaming up with the Angel 34 Foundation to fight childhood cancer and all EPC District 11 schools will be participating in a Gold Out at the homecoming game on October 14th. In addition, Ms. Slozina reported that Spirit Week begins on October 17th with the bucket football game at Pocono Mountain East to be held on Friday, October 21st and that students are preparing for the scheduled activities. Ms. Kresge questioned where the proceeds for the Angel 34 Foundation go and Mr. Gress clarified that it is Lehigh Valley and area which includes Pleasant Valley.

Agenda Item #8.d. - Presentation - 4th Grade Fraction Study. Mr. Newman, Ms. Liddic, and Ms. Herr provided a PowerPoint presentation regarding the Penn State Math Program at PVI. Mr. Newman stated that Pleasant Valley has the opportunity to partner with Penn State University math program. He stated that Penn State is in the top 20 research universities in the country and he provided background information regarding their mission of the research program. Mr. Newman stated that the representative of Penn State, Ms. Stephanie Marano, was present during the open house at PVI and presented sessions for the parents to explain the process of the study and to answer any questions relating to the program. Ms. Liddic talked about the rationale of the study stating that the concept of fractions lead into Algebra I and targets 4th grade students due to the emphasis on fractions covered in that curriculum. Ms. Herr talked about the study instruction that aligns with standards and curriculum in the 4th grade and stated that the intervention study will not interfere with core instruction. She said that the intervention will take place during math remediation time. Ms. Herr also stated that Ms. Marano will meet with all 4th grade teachers as well as the remedial teachers. Mr. Newman highlighted the benefits to students including improving their understanding of concepts relating to fractions and will help improve their success as they continue their studies in math. He further stated that upon completion of the study, teachers will be trained to perform the intervention. The presentation was attached to the agenda. Mr. Peeters commented with regard to the change in the time frame for the study of fractions, which Ms. Liddic addressed. He also questioned how many students are enrolled in the program. It was stated that those numbers will be provided.
