Ms. Jecker said that she was told that the state requires that each district must have a bullying policy and that each district can be stricter than the state's policy regarding consequences for bullying. Ms. Geary suggested sending the email to her and she will provide it to the Board. In addition, Ms. Jecker questioned the VisionQuest contract with PV and asked where funds go, the functions provided by them, and where the students are accounted for in the enrollment. Mr. Newman addressed these issues and stated that we have an agreement with VisionQuest and the funds are all tied to the students with curriculum being provided by VLN through the PV Cyber Academy. These students are accounted for under our Cyber Academy in the enrollment report. Ms. Famularo explained the funding and stated that tuition is paid by the sending school district or if they are a ward of the state, PDE provides the funding and that we are the education provider.
