Pleasant Valley Citizens:

Ms. Laura Jecker, Chestnuthill Township, expressed her appreciation and thanked the Board for their hard work. She asked several questions about the VisionQuest contract which was on the agenda for approval this evening. She requested a breakdown of the \$8,858 check to VisionQuest. That information not being readily available, Ms. Jecker was asked to contact Ms. Famularo in her office for the breakdown. She also questioned operating under a 2015-16 contract with a term from 7-1-15 through 6-30-16 that was not approved until 1-14-16. Ms. Geary said that it was simply an oversight. Ms. Jecker also questioned the use of a teacher, fees, and how funds are reimbursed to PV. Ms. Geary addressed these issues stating that there was the need for a teacher in the past but no longer is needed. She stated that PV has worked with VisionQuest to resolve these issues. She explained the fees involved are for

facility use. Ms. Geary said that we back bill the districts or the state depending on whether or not the student is a ward of the state. Another issue addressed by Ms. Jecker was the attendance of Board members at Board of Education meetings. She stated that she voted for Mr. Borger but expressed concern that he does not attend many meetings and feels that the community deserves representation. She questioned Board policy and asked when the Board would decide on this issue. Ms. Geary stated that the Board will take her concerns under consideration.

OLD BUSINESS

Solicitor: Gerard Geiger, Esq. – No report.

NEW BUSINESS

Monroe Career & Technical Institute: Ms. Linda Micklos – No report.

Colonial IU20: Mr. Daniel Wunder – No report.

PSBA Legislative Liaison Report: Ms. Susan Kresge –

Ms. Kresge referred to a proclamation that came from ABC News that she expressed should be concerning. She read the following:

President Donald Trump has signed his first presidential proclamation declaring this week “National School Choice Week.” The proclamation states that because education is important, parents should have the right to a “meaningful choice” about where their children go to school. Charter schools and school choice are expected to be major elements of federal education policy in Trump’s administration. Betsy DeVos, Trump’s nominee for education secretary, has spent more than two decades advocating for school choice programs. Such programs provide students and parents with an alternative to a traditional public school education. DeVos is awaiting a Senate vote on her nomination. The proclamation adds that a renewed commitment to expanding school choice can make a great education possible for every child in America.

Ms. Kresge expressed her concern and stated that one of the major line items in our budget is the cost for charter schools being over \$3,000,000 and there is not a lot of accountability.

Student Representative - Katya Slozina –

Ms. Slozina stated that the second semester began this past Monday and the countdown continues to graduation. She thanked the Board for approving the transcript process called Parchment which started at the high school and allows for digitize transcripts to be sent to colleges and the NCAA clearing house. Ms. Slozina also reported that the National Honor Society sponsored a talent show on January 13th with a lot of the profits going towards pediatric cancer research; the first induction ceremony for the Mu Alpha Theta National Math Honor Society took place on January 19th and congratulations were extended to the 25 students who were inducted; and on February 17th the district-wide MiniThon will be held with proceeds going towards pediatric cancer research.
