NEW BUSINESS:

Monroe Career and Technical Institute: Dominick Sacci

- The most recent meeting of the MCTI Joint Operating Committee was held on Monday, October 1st.
- Katie Green, a third-year MCTI cosmetology student, joined the JOC as its new student representative.
- JOC viewed the new MCTI promotional video, which is close to the final cut, and feedback was given by the JOC.
- Student lunches were adjusted, and the adjustment has made the lunch line flow more efficiently to give PV students more time to actually eat their lunch within the given time parameters.
- An accountability component was introduced for student absences. Students are now required to supply a note within three (3) days of the absence or face possible disciplinary consequences. This has been going well. MCTI looks forward to reviewing future attendance rates to see if this process has resulted in lower absence rates.
- The concerns of sending school districts regarding proposed revisions to the MCTI Articles of Agreement were reviewed. It is hoped that the concerns will be addressed and finalized at the next JOC meeting.

Colonial Intermediate Unit 20: Mr. Thomas Murphy

PSBA Liaison Report: Ms. Susan Kresge

- The PA Senate and House of Representatives return to session on October 15th.
- The 2011-12 General Assembly final voting schedule may have some critical issues that affect school districts. Issues include charter school expansion and restrictions on assessment appeals. PSBA opposes both issues and asks school districts to contact their legislators and urge them to vote against bills to that effect.
- Another concern involves charter schools making AYP and a PSBA inquiry that revealed that PDE has begun to use an unapproved formula to artificially inflate charter school AYP numbers.

ADMINISTRATIVE REPORTS: Dr. Douglas Arnold

Enrollment will be discussed at the next meeting after our enrollment has been submitted to PDE.

Jim Spinola motioned; seconded by Susan Kresge, to approve the following Policy Revisions:
