DIBELS/LETRS Project Update – C. Rissmiller, P. Derr & D. Tartar

Ms. Rissmiller stated that Pleasant Valley received a \$200,000 Education Grant. Ms. Derr showed a PowerPoint on the DIBELS/LETRS Project that was done in Grades K -1. She explained the scope of the project indicating that it involved implementation of a handheld Palm used for assessing the students. Benchmark and progress monitoring assessments were used during the entire project. Teachers went through various training processes to learn how to upload the data into the Palm, how to analyze the data and then on sharing the progress.

Ms. Tartar shared that the project began by realizing that children should be prepared when starting school. The project showed that children should be able to engage in meaningful conversation. Meetings were organized with parents and their students where mini workshops were presented demonstrating to the parents how various skills could be accomplished with some instructional coaching.

Ms. Rissmiller explained the performance progress of the project over the school year. She also illustrated the benchmark statistics over a 5 year period showing the aggressive progress that was made by this program. Ms. Rissmiller indicated that the project will be expanded next school year into grade 2 while the K-1 teachers will continue with their training.
