Moore Love Drive

Feb 3rd- 28th

Brink Junior High Events

Please help Brink keep the first-place trophy.

Feb. 3rd- 7th Half- Court Shots in the new Gym during lunches. $1 per shot. All winners will receive a free pizza. This is for students and staff.

Feb6th-13th Cupid Struck the Room (same concept as Boo the Room). Each teacher can come up with ways to get money donations to see what top 3 earning teachers will receive the Honor of being The Great Valentine Teacher. Teachers for every $25 dollars collected your room will be transformed by the Cupid. We will decorate your room on the afternoon of Feb. 13th and we will clean your room afterschool on Feb. 14th. Please help raise money for our Moore Love Drive.

Feb. 17th-21st Moore Love Candy Grams sold during lunches and delivered during 6th hour.

Feb. 24th-28th Penny Wars. Money collected during lunches. Winning teacher gets a prize. Pennies collected put you in the positive and all other coins and dollars take away from penny amount. Goal winning teacher lots of pennies and put coins and bills in other teachers bucket.

If we raise $3000 during the month of February for Moore Love then Mr. Ross will endure an ice bucket challenge for all to see.

MOORE LOVE 2020

- We are excited to share that Moore Public Schools and the MPS Foundation's annual philanthropic initiative, "Moore Love," will be throughout the entire year at the three high schools and highlighted during the month of February at ALL 35 schools – elementary, junior high, high schools and Vista. The recipients selected give selflessly to our community members every day. We are excited to share that MPS will raise funds for four important organizations.

    - **Regional Food Bank**: MPS works with the Oklahoma Regional Food Bank to provide food items in backpacks for approximately 650 of our students. These students do not have food to sustain them during the weekend and this program helps fulfill this need. No child should be without food or go hungry. *Website: www.regionalfoodbank.org*

    - **Soonerthon**: (Children's Hospital), is a group of University of Oklahoma student-leaders who raise funds throughout the year for the Children's Hospital. The Soonerthon committee will provide mentorship all year for our newly developed Moore Love officers at each of our high schools. Not only will all funds raised for Soonerthon go to Children's Hospital, but our committees will receive fundraising and event training from their successful collegiate peers. This is a win/win. *Website: http://www.ou.edu/sga/cac/events/soonerthon*

    - **Moore Faith Medical Clinic**: This is a free clinic within the Moore community that provides much-needed medical attention to individuals who may not have insurance or financial means for healing. Medical professionals from Moore and surrounding cities volunteer at the facility once a week. *Website: moorefaithclinic.org*

    - **Ally's House**: This organization was established in 2004 and has provided financial support to families dealing with pediatric cancer. To date, Ally's House has processed more than 1,200 financial assistance applications. The assistance is designed to help ease a portion of the family's financial stress during treatments and helps pay for various needs such as: prescriptions, medical expenses, transportation, housing, utilities, clothing, and food. *Website: allyshouse.org*
