### What Makes a Lunch?

Select 3—5  
Different Components

\*All Entrees include a protein and grain

*All lunches must include a fruit or veggie!*

All lunches are served with all five components: fruit, vegetable, protein, grain and milk. While we encourage students to take a full tray, we understand that sometimes students may not want all items offered. Students can decline up to two components as long as their tray contains a fruit or a vegetable.

Studies show that students eat better when given a choice what is on their tray and this practice also reduces food waste!

### Start Your Day Off Right!

Did you know that we serve breakfast in all K-12 schools before the school day begins? Breakfast includes an entrée (grain and protein or two grains), choice of fruit and milk.

Check with your building for meal times.

### Nutrislice

Use our interactive app and website to review breakfast and lunch menus, allergen information and nutritional facts for all menu items served. You can also rank items and provide feedback as well as see pictures of menu items.

# AMS South Drop Off and Pick Up Procedures

**Arrival** – If you choose to drop your child off at school, please anticipate this process will take 10-15 minutes or more depending on how many families drive their child to school. **The first cars will not be able to drop off students until 9:05 am.** Please follow the traffic pattern shown below to drop off or pick up your child at the AMS South main entrance. We have created stack up lanes to accommodate as many cars as possible in our parking lot. These stack up lanes begin at the southwest corner of the parking lot behind the school. You can enter the pickup lane two ways:

- Enter from the roundabout at Avon Avenue (IN 267) and East County Road 25 South.
- Enter from Rockville Road (US Highway 36). Drive south and turn right just past the Avon Schools HRH Clinic and proceed to the stack up lanes.

Enter one of the stack up lanes and prepare to merge back to one lane alternating left to right. This single lane proceeds along the west side of the school and turns toward the front of our school. Please follow the directions of staff as they ask you to pull as far forward as possible so we can unload several cars at one time. Do not pull out of line or create a second lane in front of the school.

**Dismissal** – If you choose to pick up your child at school, please anticipate this process will take 15-20 minutes or more depending on how many families will be picking up their child from school. **All students are dismissed at 4:05 pm.**
