Step 4-

Return to Application allows you to complete an existing application.
Select **NEW APPLICATION** to begin an application for current school year

The screenshot shows a web interface titled "Application". At the top, there is a navigation bar with links: "Contact", "Students", "Members", "Sign", and "Disclosure". Below the navigation bar, a message says "Please Choose one of the following options". There are three teal buttons stacked vertically: "RETURN TO APPLICATION" (with subtext "Complete a prior Unsigned/Incomplete application"), "NEW APPLICATION" (with subtext "Begin a New Application for a Student/User"), and "BACK". At the bottom, there is a link: "Cancel and go to my PaySchools Central Dashboard".

Step 5-

Please read prompted message on how income should be entered. If no message appears- you will ONLY see the "Here's how eligibility is handled"

The screenshot shows a web interface titled "Before you begin". At the top, there is a navigation bar with links: "Contact", "Students", "Members", "Sign", and "Disclosure". Below the navigation bar, a message says "HERE'S HOW ELIGIBILITY IS HANDLED". The text explains that only one application is needed for all children in a household and that eligibility is based on three things:

- Your total household income and family size in the month the application is filled out, or the month before, or after
- Your child's individual status as foster, homeless, migrant or runaway, or
- Participation in an assistance program by any member of your household.

Below this, it states: "Your US citizenship or immigration status does not affect your eligibility for free and reduced-price benefits." There are two teal buttons stacked vertically: "CONTINUE" and "BACK". At the bottom, there is a link: "Cancel and go to my PaySchools Central Dashboard".

Step 6-

Add/Verify Students > data from student(s) account will be shown > You can remove students by clicking the "x" > Click Add Student if additional students are in household > When complete, Start Application

- If **Direct Certification** says "YES", no application is needed from your district
 - If all your students in your household are DC, you will be directed to the disclosure options to allow or prohibit sharing of your meal status- information is typically used in waiving certain district fees.
 - If some, but not all students are DC, you can extend benefits to the other children by using the EXTEND TO ALL option and selecting those currently on your application > redirected for disclosure options
- Select **FOSTER CHILD** only for any students in your household- no income or additional information will be needed for student(s)

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number.
