### Washington State Ethnicity and Race Data Collection Form

School districts in Washington State are required to report student data by ethnicity and race categories to the state's Office of Superintendent of Public Instruction (OSPI). Ethnicity and race categories are set by the federal government, the Washington State Legislature, and OSPI. If parents, guardians, or students do not provide ethnicity and race information, districts are responsible for assigning categories based on observation. Please select both ethnicity and race. Hispanic Yes or No, if yes select which one(s). Then select any race(s) that may apply. Be sure to notice the bold categories prior to selecting the race(s).

School districts in Washington State are required to report student data by ethnicity and race categories to the state's Office of Superintendent of Public Instruction (OSPI). Ethnicity and race categories are set by the federal government, the Washington State Legislature, and OSPI. If parents, guardians, or students do not provide ethnicity and race information, districts are responsible for assigning categories based on observation. Please select both ethnicity and race. Hispanic Yes or No, if yes select which one(s). Then select any race(s) that may apply. Be sure to notice the bold categories prior to selecting the race(s).

## Immunization Record Requirements

School Year 2022-23

Dear Parent or Guardian,

Starting August 1, 2020, all immunization records turned in to schools or child care centers are required by state law to be medically verified. Immunization records must be turned into the school on or before the first day of attendance. This means immunization records turned in to the school must be from a health care provider, or you must attach paperwork from a health care provider to your handwritten form that shows your child's records are accurate. Your child cannot attend school until you provide these records.

Here are some examples of medically verified immunization records:

- A completed Certificate of Immunization Status (CIS) signed by a health care provider. Find the CIS form by visiting <https://www.doh.wa.gov/SCCI> and clicking on "Certificate of Immunization Status."
- A CIS filled out by you or another parent/guardian with medical records attached.
- A CIS printed by a health care provider or school from the Washington State Immunization Information System.
- A CIS printed from MyIR which is a free Department of Health online tool that allows families to view and print their official immunization records themselves. Go to <https://wa.myir.net/register> to begin the sign-up process.

If you are requesting an exemption from one or more of the immunization requirements, you must provide the school a completed Certificate of Exemption.

Sincerely,

Kellie Larrabee  
Executive Director of Teaching & Learning

DOH 348-744 January 2020

**Instructions for completing the Certificate of Immunization Status (CIS): Print the from the Immunization Information System (IIS) or fill it in by hand.**

**To print with the immunization information filled in:**

Ask if your health care provider's office enters immunizations into the WA Immunization Information System (Washington's statewide registry). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <https://wa.myir.net>. If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: [waisrecords@doh.wa.gov](mailto:waisrecords@doh.wa.gov) or 1-866-397-0337.

**To fill out the form by hand:**

1. Print your child's name and birthdate, and sign your name where indicated on page one.
2. Write the date of each vaccine dose received in the date columns (as MM/DD/YYYY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record *Pediatric* under *Diphtheria*, *Tetanus*, *Pertussis* as *DTaP*, *Hepatitis B* as *Hep B*, and *Polio* as *IPV*.
3. If your child had chickenpox (varicella) disease and not the vaccine, a health care provider must verify chickenpox disease to meet school requirements.
  - ☐ If your health care provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
  - ☐ If school staff access the IIS and see verification that your child had chickenpox, they will check the box under *Varicella* in the vaccines section.
4. If your child can show positive immunity by blood test (titer), have your health care provider check the boxes for the appropriate disease in the Documentation of Disease Immunity section, and sign and date the form. You must provide lab reports with this CIS.
5. Provide proof of medically verified records, following the guidelines below.

## Acceptable Medical Records

All vaccination records must be medically verified. Examples include:

- A Certificate of Immunization Status (CIS) form printed with the vaccination dates from the Washington State Immunization Information System (IIS), MyIR, or another state's IIS.
- A completed hardcopy CIS with a health care provider validation signature.
- A completed hardcopy CIS with attached vaccination records printed from a health care provider's electronic health record with a health care provider signature or stamp. The school administrator, nurse, or designee must verify the dates on the CIS have been accurately transcribed and provide a signature on the form.

### Conditional Status

Children can enter and stay in school or child care in conditional status if they are catching up on required vaccines for school or child care entry. (Vaccine series doses are spread out among minimum intervals, so some children may have to wait a period of time before finishing their vaccinations. This means they may enter school while waiting for their next required vaccine dose). To enter school or child care in conditional status, a child must have all the vaccine doses they are eligible to receive before starting school or child care.

Students in conditional status may remain in school while waiting for the minimum valid date of the next vaccine dose plus another 30 days time to turn in documentation of vaccination. If a student is catching up on multiple vaccines, conditional status continues in a similar manner until all of the required vaccines are complete.

If the 30-day conditional period expires and documentation has not been given to the school or child care, then the student must be excluded from further attendance, per RCW 28A.210.120. Valid documentation includes evidence of immunity to the disease in question, medical records showing vaccination, or a completed certificate of exemption (COE) form.

Under state law (RCW 28A.225), students are required to attend school full-time, without unexcused absences, skips or tardies. When a student accumulates seven (7) days of unexcused absences in any month (one day consists of more than half a school day) or ten (10) days of unexcused absences in a school year may possibly result in a Becca Petition being filed with juvenile court where sanctions can be imposed. These sanctions may include essays, study club, community service, detention alternatives and detention. Parent fines may also be imposed of up to \$25.00 for each day of unexcused absence from school.

### Communication

- I understand that for each day I have been absent from school, my parent/guardian will submit a written note, email or call the school within two (2) days of returning to school to have the absence excused.
- They must provide the reason for the absence.
- If no reason is provided or the reason does not meet the excused absence criteria which is defined in school Policy No. 3122P, the absence will be considered unexcused.

### Unexcused:

- I understand that when I accumulate seven (7) days of unexcused absences in any month (one day consists of more than half a school day) or ten (10) unexcused absences in a school year, this will result in a Becca Petition being filed with juvenile court.
- I understand that if I miss twenty (20) consecutive days of school, I will be withdrawn from my school of attendance.

### Excused:

- I understand that when I accumulate fifteen (15) days of excused absences in a year, a doctor's note may be required for every two days in a week of excused absences in order for them to be considered excused. Without a doctor's note, the absences may be considered unexcused.
- When twenty (20) consecutive absences have occurred, I will be withdrawn from school and a Becca Petition will be filed with juvenile court.

### Withdrawal:

- I understand that if the School Secretary or Registrar does not receive a request for records within ten (10) days of my withdrawal, a Becca Petition will be filed with juvenile court.

Thank you for providing the information needed on the Home Language Survey. Contact your school district if you have further questions about this form or about services available at your child's school.

**Note to district:** This form is available in multiple languages on <http://www.k12.wa.us/MigrantBilingual/HomeLanguage.aspx>. A response that includes a language other than English to question #2 OR question #3 triggers English language proficiency placement testing. Responses to questions #1 or #4 of a language other than English could prompt further conversation with the family to ensure that #2 and #3 were clearly understood. "Formal education" in #7 does not include refugee camps or other unaccredited educational programs for children.

# **FERNDALE SCHOOL DISTRICT NO. 502 ADMINISTRATIVE PROCEDURES TECHNOLOGY RESOURCES USE AGREEMENT**

## **No. 2314 P-1 Attachment 1**

### **Parent or Guardian:**

The students in Ferndale School District (FSD) have direct access to the Internet and the FSD network. With this privilege comes responsibility. All students must be informed of the rules regarding Internet and network use and agree to abide by these rules.

The District utilizes software and content filtering to prevent students from accessing inappropriate online materials when they are connected to the district's network. This filtering is extended to all student devices K-8 independent of whether they are on the district's network or any external network. Please be advised that this filter does not automatically extend to networks beyond the district for students in grades 9-12. When students take advantage of the opportunity to take their devices home with them in their high school years, parents/guardians are responsible for monitoring their network access at home and other locations outside of school. At the request of a parent/guardian, the District will install a 24/7 filter on a student's device. To request such a filter, contact 360 383 9210.

Users of the district's technology devices and network are required to sign a "Technology Resources Use Agreement." Please read and discuss this information with your student and sign on the back. Parents and students will be required to complete the "Technology Resources Use Agreement" upon first technology usage (usually at elementary school level), at the beginning of each of the middle grades six, seven and eight, then finally as they enter high school in the ninth grade. Also note, individual schools may require annual completion.

### **Student Expectations**

The use of the district's devices and network is a privilege and inappropriate use may result in a cancellation of those privileges. Security on any computer system is a high priority, especially when the system involves many users. If the user identifies a security problem on the system, the user must notify staff and must not demonstrate the problem to other users. Students are responsible for good behavior on school computer networks just as they are in a school classroom or a school hallway.

The following information was extracted/adapted from the "Ferndale School District Board Procedure #2314 P-1 Technology Resources." Copies of the complete Board Policy No. 2314 and accompanying Procedures are available on the FSD website.

### **Personal Internet Safety**

1. Do Not reveal personal contact information about yourself (address, phone number, etc) while online.
2. Do Not agree to meet people that you have been in contact with over the Internet without parent permission.
3. Do Not give out private or confidential information about yourself or others.
4. Tell your teacher or other school employee about any message you receive that is inappropriate or makes you uncomfortable

### **Acceptable Use**

The **primary** use of this account should be in support of education and educational research.

### **Unacceptable Use**

Examples of activities which are NOT PERMITTED include (but are not limited to):

- Displaying sexually explicit, pornographic, obscene, lewd or other inappropriate messages or pictures.
- Using obscene language or material.
- Participating in offensive and/or threatening attacks via “Cyber Bullying” against individuals or groups.
- Damaging computers, computer system or computer networks.
- Violating copyright laws.
- Using other users’ passwords.
- Trespassing on other users’ work: systems, folders, work or files.
- Excessively using of limited resources (beyond time authorized by administrators).
- Engaging in personal email or free “web surfing” during school hours.
- Employing the network for commercial, personal or political purposes.
- Modifying software on district equipment or installing personal technology on the network without written permission.
- Accessing any computer not explicitly authorized for use.

### **Student Email**

Ferndale School District has created email accounts for all students, which includes email access if needed. FSD is providing this service because it is obligated, through e-rate and federal regulations; “to ensure that all students use computers, networks and communications (including email) in schools for school related purposes in an appropriate manner.” The mastery of effective and proper email communications is expected of FSD students and is embedded in the Washington State K-12 Essential Academic Learning Requirements and Grade Level Expectations in Educational Technology such as EALR 2: Digital Citizenship, Component 2.3, which states that students should be able to “communicate with peers and teachers using email.” Consequently, FSD students will be expected to utilize their FSD email account for district and school communication.

This account will be assigned to students as they enter the district and will be available for school/educational usage throughout their career in Ferndale School District. However, this account will only become “active” for student use beginning at 6th grade (earlier in the case of specific teacher request to be used in his/her classroom). In addition to email, this account will provide access to collaboration tools (word processor, calendar, spreadsheets), as well as other educational related tools.

### **Student Signature (required)**

I understand and will abide by the Technology Resources Use Agreement Policy and agree to use the network responsibly. I further understand that any violation of the regulations contained therein may result in disciplinary action and may constitute a criminal offense.

Should I commit any violation, my access privileges may be revoked and school disciplinary action or appropriate legal action may be taken.

**Parent or Guardian Permission** (required if student is under the age of 18)

As a parent or guardian of this student, I have read the Technology Resources Use Agreement Policy. I understand that this access is designed primarily for educational purposes. I recognize that it is impossible for Ferndale School District to completely restrict access to offensive, inappropriate or other controversial information and materials available through Internet or other sources from the network, and I will not hold the school district responsible for information and materials obtained by this student from the network. I understand this agreement will be kept on file at the school.

I also understand that from time to time the teacher or school may wish to publish examples of student projects, unidentified photographs of students and other work on an Internet accessible server via staff, school or district website.

**Please circle your responses**

I have read and reviewed the Student/Parent Technology Handbook with my child and understand my responsibilities with respect to technology use in the Ferndale Schools. (This document can be reviewed online at the District Website and each student will be reviewing this at the start of each school year)

## AFFIDAVIT OF STUDENT RESIDENCE

For the purpose of determining a student's legal residence relative to school attendance areas in Ferndale Public Schools, the legal definition of residence is as follows:

*WAC 392-137-115 Student Residence-Definition. As used in this chapter, the term "student residence" means the physical location of a students' principal abode, i.e, the home, house, apartment, facility, structure or location, etc. – where the student lives the majority of the time.*

*The following shall be considered in applying this section:*

- 1. The mailing address of the student—e.g., parent's address or post office box—may be different than the student's principal abode.*
- 2. The student's principal abode may be different than the principal abode of the student's parent(s).*
- 3. The lack of a mailing address for a student does not preclude residency under this section.*
- 4. If students are expected to reside at address for twenty consecutive days or more.*

**A copy of a current electric or gas bill (sewer and/or water bills are not accepted as proof of address) with your name and current address must be attached in order to complete the registration process and have a scheduling packet available for your student.**

I hereby certify, pursuant to the Washington Administrative Code (WAC 392-137-155 Definitions) that:

**Name of student** \_\_\_\_\_

**Legally resides at** \_\_\_\_\_

**I understand that if it should be determined that the student does not reside at the above-listed address, he/she will be withdrawn from Ferndale School District.**

## **FERNDALE SCHOOL DISTRICT GUIDELINES AND RULES FOR STUDENTS RIDING BUSES**

**BUS RIDERSHIP IS A PRIVILEGE.** The privilege can and will be revoked for disregarding the rules. Approximately 2,500 students are transported to and from school daily. In addition, students are transported to athletic contests, music competitions and performances, field trips and other approved activities. The following guidelines and rules are established to promote the safety and well being of students using Ferndale School District vehicles.

- **FOR THE SAFETY OF ALL KINDERGARTEN STUDENTS: A parent, guardian or approved responsible party must be present for a kindergarten student to be release from the bus.**

### **A. PRIOR TO LOADING**

1. Be at the designated bus stop five minutes prior to scheduled pick-up time. The bus cannot wait for tardy students; it has a schedule to keep.
2. When it is necessary to walk along the roadway, walk on the left side of the road facing traffic. If there is a shoulder or sidewalk, use it.
3. When crossing the roadway, walk – do not run. Before stepping into the oncoming traffic lane, check in both directions. If the bus is present, cross at least 10 feet in front of the bus, not behind it – and always wait for the driver's OK.
4. While waiting for the bus, stay off of the traveled portion of the roadway. Stand on the sidewalk, if there is one. Do not engage in horseplay. Respect the property of homeowners in the area. Do not run beside the bus when it is moving.
5. When loading, form a single line off of the road and wait quietly until the bus has come to a complete stop before moving toward it. Do not push or crowd.
6. Upon entering the bus, go directly to a seat, sit down, and remain seated.
7. If you miss the bus, return home. Make alternative arrangements for getting to school with your parent or guardian.

### **B. WHILE ON THE BUS**

1. Obey the directions of the bus driver, including the assignment of seating, if required.
2. Do not stand or sit in the stepwell. Be seated while the bus is in motion facing forward with feet out of the aisle. Keep the aisle and front stepwell clear of books, lunches, coats, packages and musical instruments. When departing, remove all items which were brought onto the bus.
3. Conduct yourself in a manner that will not distract the driver or disturb other riders. While the bus is moving, do not talk to the driver except for important matters or emergencies.
4. Be quiet while the bus is approaching and crossing railroad tracks so the driver can listen for approaching trains.

(over)

5. Ride only your regularly assigned bus and leave the bus at your designated stop. Written permission or a phone call by your parent to the principal or designee, who will issue a bus pass to be given to the bus driver, is required to ride another bus or to get off at a different stop.
6. Report any bus damage to the driver. Students are responsible for the cost of repairs to buses and/or vehicles due to vandalism or misuse.
7. Obtain driver permission before opening a window. State law states that bus windows may be open no more than five inches (5"). Keep hands, head, legs, etc. inside of the bus at all times. Do not throw or pass objects through open windows.
8. Do not bring knives, sharp objects, glass items, firearms, or live animals on the bus. Do not bring large objects that cannot be held on a student's lap onto the bus. Objects that can come apart or create a mess if dripped should be in closed container (sack, box, etc.)
9. Use of profane language will not be tolerated. Use or possession of tobacco, alcoholic beverages, drugs or drug paraphernalia, or matches/lighters is not allowed on the bus and will result in a suspension from the bus for five (5) days or more. Possession of these items could result in suspension from school at the principal's discretion.
10. Deposit paper, food containers, and other unwanted objects in the trash container provided.
11. Use the fire extinguisher, first aid kit, and emergency door only in an emergency and with the permission of the driver or other authorized person. Do not sit in the driver's seat or touch any instruments on the dashboard.
12. Do not stand up until the bus has come to a complete stop. Leave the bus in an orderly manner with students in the front unloading first unless otherwise directed.

### **C. AFTER LEAVING THE BUS**

1. When it is necessary to cross the road after unloading, cross at least 10 feet in front of the bus. Do not touch or jump over the cross arm. Before stepping into the lane used by oncoming traffic, look both ways to be sure no traffic is approaching from either direction. Glance at the driver, who will signal if it is not safe to cross. Walk, do not run, when crossing the roadway.
2. Do not loiter around the bus or run beside it when it is moving.
3. Do not throw balls, rocks or objects of any kind in the area of a school bus stop.
4. If there is a shoulder or sidewalk, use it. When it is necessary to walk along the roadway, walk on the left facing traffic.
5. After leaving the bus, go directly home.

### **PROCEDURES FOLLOWING INFRACTIONS**

Safety is a primary concern. A Bus Conduct Report will be written for a student who does not follow these rules. The driver will give a copy of the report to the student who is to take it home, have a parent/guardian sign it, and return it to the driver before they will be allowed to ride the bus again. Transportation will fax or send a copy of the Bus Conduct Report to the principal who, after determining action to be taken, will return it to the bus driver. The principal may call the parent/guardian to discuss the infraction and the consequences. A copy of the form will be kept in the Transportation Department files.

**ED 506 Form**  
**Indian Student Eligibility Certification Form for Title VI Indian Education Formula Grant Program**

**Parent/Guardian:** This form serves as the official record of the eligibility determination for each individual child included in the student count for the Title VI Indian Education Formula Grant Program. If you choose to submit a form, your child could be counted for funding under the program. The grantee receives the grant funds based on the number of eligible forms counted during the established count period. You are not required to complete or submit this form unless you wish for your child(ren) to be included in the Indian student count. This form should be kept on file with the grant applicant and will not need to be completed every year. Where applicable, the information contained in this form may be released with your prior written consent or the prior written consent of an eligible student (aged 18 or over), or if otherwise authorized by law, if doing so would be permissible under the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and any applicable state or local confidentiality requirements.

**For Parent/Guardians:**

**Definitions:**

Indian means an individual who is (1) A member of an Indian Tribe or Band, as membership is defined by the Indian Tribe or Band, including any Tribe or Band terminated since 1940, and any Tribe or Band recognized by the State in which the Tribe or Band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

**Student Information:** Write the name of the child, date of birth, grade level, name of school and school district. Only name one child per form.

**Tribal Membership:** Write the name of the individual with the tribal membership, if it is not the child listed. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one identifier: the child, child's parent or grandparent, for whom you can provide membership information.

Write the name and address of the organization that maintains updated and accurate membership data for such Tribe or Band of Indians. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally recognized Tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the Tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. Write the enrollment number establishing the membership for the child, parent or grandparent, if readily available, or other evidence of membership.

**Attestation Statement:** Provide the printed name of parent/guardian and signature, address, phone number and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied.

**Paperwork Burden Statement:** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0021. The time required to complete this portion of the information collection per type of respondent is estimated to average: 15 minutes per Indian student certification (ED 506) form; including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Indian Education, U.S. Department of Education, 400 Maryland Avenue, S.W., LBJ/Room 3W238, Washington, D.C. 20202-6335
