Dear Klein Family,

Welcome to a new school year in Klein ISD! We are so excited to have our students ready to learn and succeed and want to thank you very much for choosing to volunteer in our amazing school district. Volunteering helps strengthen our community and is such an important part of every student's learning. Our dedicated volunteers make a positive difference each day in our schools, play a vital role in our district's shared vision, and ensure that we maintain and grow our tradition of excellence in Klein ISD. Thank you for being a valued Klein Family member.

Getting started in Klein is as easy as 1-2-3! First, every volunteer submits a new application and completes a background check to ensure student safety. Next, applicants will receive an email confirmation regarding the status of their application within 5-7 days, and then they will be ready to join the rewarding volunteer programs!

If you have any questions regarding registration in our volunteer program, please contact Ms. Christy Spisak, Director of Community Relations, at 832-249-4753, or your campus principal. Our volunteers are very important to us, and we are so grateful for your commitment to Klein ISD.

Sincerely,

Dr. Jenny McGown
Superintendent,
Klein ISD
