Course Description

The Wildland Firefighting course is designed to give students all the certificates, classroom, and field experience to apply for entry-level firefighting jobs with the US Forest Service.

After completion of this course, you will earn the following NWCG (National Wildland Fire Coordinating Group) certificates:

S-190 - Introduction to Wildland Fire Behavior

S-130 - Firefighter Training

L-180 - Human Factors in the Wildland Fire Service

FEMA IS100 - Introduction to the Incident Command System

FEMA IS700 - Introduction to the National Incident Management System

These certificates meet the basic wildland firefighter training standards for all the Federal Wildland Fire Agencies.

The program will provide helmets, safety glasses, gloves, and ear plugs.
Students must provide their own workboots.
