

The Mothers' Guild

The HGP Mothers' Guild was founded in 1966 to provide social, cultural, material, and spiritual support to its members and to the school. All moms and guardians with sons attending HGP are automatically members, as well as alumni moms who have chosen to remain active.

The Guild holds monthly meetings, which begin with Mass in the chapel. The meetings are social and informative! They are often highlighted by a special event or speaker joining us from the school administration or staff. Each month, everyone at the meeting qualifies for a \$50 attendance drawing. Other raffles for fun themed items or 50/50 are also always available.

In addition to these monthly gatherings, the Mothers' Guild hosts a special Welcome Tea, a Holiday Craft Show and a Mother-Son Event each year! There are many opportunities for you to get involved at Holy Ghost. Come to the Guild meetings, learn about the latest happenings at school, meet new people, and see what all the excitement is about!

Mothers' Welcome Tea

The first event each year is the Guild's welcome tea for our moms. This tea, held on Sunday, September 17th, provides new moms with the opportunity to meet other mothers of Holy Ghost students, past and present.

Our Mothers' Guild Board makes every effort to make this day a memorable one for you. The day starts with a Mass in the Chapel at 11 a.m. followed by a luncheon in the Dining Hall. There will be speakers from the school administration and you can learn what the Guild has planned throughout the school year.

Holiday Craft Show

For over 50 years, the annual craft show has been the major fundraiser for the Mothers' Guild at HGP. The craft show, being held this year on November 11 & 12, is a tremendous exposition of talent by over 100 crafters. Holy Ghost moms work hard every year to make our Holiday Craft Show one of the most successful shows in the area. We hope you will come shop, as well as volunteer some time that weekend to work along side your fellow HGP parents to make the show a success!

The Mothers' Guild Executive Board
