

**Breitung Township Schools - Woodland Elementary
COVID-19 School-Based Close Contact Quarantine Waiver**

Breitung Township Schools Covid-19 Operations Plan allows students at Woodland Elementary, Kingsford Middle School and Kingsford High School to remain in school and school activities in lieu of being quarantined from a school exposure to COVID-19 provided a parent/guardian agrees to a periodic rapid COVID-19 test for the student and the student shows no symptoms of illness. The District will continue to contact trace and notify parents/guardians if their student is a close contact of a confirmed case of COVID-19 at school.

I agree to a periodic COVID-19 rapid test for my child in lieu of being quarantined.

If my child exhibits any symptoms of COVID-19, I will notify the school and quarantine as expected.

If my child tests positive for COVID-19, I will notify the school and isolate as expected.

I understand that failure to follow the above agreements will result in a school-based quarantine according to the Breitung Township Schools COVID-19 Operations Plan.
