

You're Invited!

Come and learn about MAP and MCAS reports

- What information does this give you as a caregiver about your child?
- What do the terms and graphs mean?
- How do we use this information in our schools?

When: November 1st, 2018
6:30 - 8:00

Where: Monomoy Middle School Auditorium

****Please bring your child's report(s) with you****

Name: _____ Grade: Spring 2018

SASID: _____

English Language Arts

Your Child's Achievement Level:
Your Child's Score: _____

Score	Expectations
440	Not Meeting Expectations A student who performed at this level did not meet grade level expectations in this subject. The school, in consultation with the student's parent/guardian, should determine the coordinated academic assistance and/or additional instruction from the student needs to succeed in this subject.
470	Partially Meeting Expectations A student who performed at this level partially met grade level expectations in this subject. The school, in consultation with the student's parent/guardian, should consider whether the student needs additional academic assistance to succeed in this subject.
500	Meeting Expectations A student who performed at this level met grade level expectations and is academically on track to succeed in the current grade in this subject.
530	Exceeding Expectations A student who performed at this level exceeded grade level expectations by demonstrating mastery of the subject matter.
560	

The historical gap bars shown in the graphics above and below show the range of likely scores your child would receive if he or she took the test multiple times.

Achievement
How your child performed compared to students in their school, district, and state.

Year	Your Child's Score	Average Score		
		School	District	State
2018				
2017				

2018 Student Growth Percentiles
The student growth percentile (1-99) compares your child's score to other students with similar prior MCAS scores.

Lower Growth	Your Child	Higher Growth
	School	
	District	

How your child performed on the test in each reporting category and on each individual test question

Reporting Category	Points Earned by Your Child	Average Points in School	Average Points in District	Average Points in State	Total Possible Points	Average Points Earned*
Reading						
Writing						
Language						

*Average number of points earned by students. Meeting Expectations at the state level who scored close to 500.

Individual Test Questions
