

School Council Agenda  
May 20, 2019

Agenda:

1. Review, discuss, and vote on minutes from school council meeting on April 29, 2019.
2. School Identity – participate in an activity that helps discover whether MRMS has established an identity; each school council member will be asked to share words or short phrases that describe MRMS, and then council members will see whether there is any commonality that exists among the various responses.
3. Upcoming Events – review end-of-year activities and events, and revisit past school council recommendations and expectations.
4. CTE Update – receive update on new seminar offerings / efforts of staff to advance the possibility of a Chapter 71 Career and Technical Education (CTTE) program in Marine Science and Aquaculture at MRMS
5. Presentation for Regional School Committee – Opportunity for input regarding topics / data that school council members would like to see presented to the MRSC
6. Adjourn and THANK YOU for a great year, as this is our last meeting!
