

Preschool Supplies List

Essentials

1. **Blanket** (Small but big enough to cover the child.)
2. **Water bottle** (non-spill and suitable for the student's daily use, it must also be refilled daily at home and sent to school every day in their backpack. The school does not have communal water fountains for public health reasons but "Water Stations" to refill students' bottles.)
3. **Backpack** (big enough to fit a folder, blanket, and a change of clothes) Without wheels.
4. **Two changes of clothes** in your child's backpack in case of accidents.
5. **Pillow or stuffed animal**, we recommend one item only, the one of your preference or your child's, but not the use of both, to avoid distractions during the nap. If you choose a stuffed animal, make sure it is small and does not make noise or lights.
6. Pencil case for student daily use, marked with your child's name on the top. It does not have to be filled, the school will provide crayons, colors, and markers

Wish List
