Four Star **RECOMMENDATION:** It is recommended that the Board recognize Croninger and Irwin Elementary
School Schools students and staff for receiving the state Four Star School award.
Award

RELATED INFORMATION: Croninger and Irwin Elementary Schools were part of an elite group of schools receiving the state's Four Star School award for 2008-09. This award is the highest state distinction and is based on student achievement on ISTEP+ assessments and overall attendance rates. Only ten percent of all eligible public schools in the state received this award. This is the fourth consecutive year Croninger has earned the designation and the second year for Irwin. To be designated as a Four Star School, a school must be fully accredited, meet Adequate Yearly Progress (AYP) for 2008 and perform in the top 25 percent of all the schools in each of the following four areas:

- student attendance rates,
- mathematics proficiency scores,
- English/language arts proficiency scores and
- the percent of students passing both English/language arts and mathematics.

At Croninger, the teachers and staff make it their mission each day to reach every child's individual learning needs. This is an ongoing process and a collaborative team effort that produces high quality results. Teachers work very hard and in close cooperation with parents who support the school. At Irwin, staff members looked at their own data, and helped the students understand the data so they could take responsibility for their own success. They work closely with parents and students to make sure they know where they stand and where they need to go to be successful.

The following individuals were recognized:

Rebecca Dennis, Croninger Principal and Croninger Staff
Ingrid Laidroo-Martin, Irwin Principal and Irwin Staff
Jeff Cline, former Irwin Principal
Dan Bickel, Elementary Area Administrator

Study Elementary is also featured in the NSDC video, "Building a Case for Collaborative Professional Learning" which was shown at the conference's opening general session as an exemplar in meeting the goals set forth by the National Staff Development Council. As an urban Title I school of diversity, Study is noted for facilitating academic growth within all diverse groups.

Study was selected as a model for successfully using embedded professional development to make positive change which fulfills the NSDC mission of, "Ensuring effective embedded professional development, every day, for every teaching professional to increase every student's achievement."

The principal and staff of Study Elementary School are committed to "doing what ever it takes" to increase student achievement. This includes the creating of meaningful partnerships with all families and numerous community organizations.

In June 2010, 8-15 German language students would like to reciprocate the latest visit from Gera students. While there, students will attend classes and make excursions to Dresden, Eisennach, Leipzig, Weimar, and Buchenwald. There will be two overnight excursions to Frankfurt and Berlin.

The opportunity to participate will be extended to all non-freshmen students of German with strong preference given to those who will have completed two years of German by the departure date and have maintained a "B" average.

Kris Kallmeyer is responsible for the planning of this field trip. Barbara Ahlersmeyer is the principal.
