#### Short-Term Disability

Dr. Robinson presented the following recommendation concerning the Short-Term Disability:

**RECOMMENDATION:** It is recommended that the Board renew Standard Security Life Insurance Company as the short-term disability carrier for a two-year term, effective February 1, 2005 through January 31, 2007.

**RELATED INFORMATION:** Standard Security has provided Fort Wayne Community Schools' short-term disability coverage since February 1, 2002, and has established a good service record over the past three years. They have offered to renew the FWCS plan at a rate of \$.39 per \$10.00 of coverage. This is a savings of 9.3% from the previous rate of \$.43.

Quotes were solicited from three other companies. One company quoted a rate significantly higher than the renewal offer from Standard Security. One company provided the same rate and a similar two-year guarantee. One company, American United Life, did provide a slightly lower rate of \$.38 but only for a one-year period. Their two-year rate was significantly higher than that offered by our current provider and would not provide the same cost savings opportunity.

A motion was made by Robert A. Armstrong, seconded by Stephen Corona, that the recommendation concerning the Short-Term Disability be approved. Roll Call: Ayes, unanimous; nays, none.
