Minutes –
January 23,
2006

A motion was made by Jon J. Olinger, seconded by Kurt A. Walborn, that the minutes of the regular meeting of the Board of School Trustees held January 23, 2006, be approved. Roll Call: Ayes, unanimous; nays, none.

Dr. Wendy Robinson, superintendent, presented the following information and recommendations concerning awards and recognitions:

Staff Spotlight –
Barbara Hole,
Cafeteria
Manager –
Memorial Park
Middle School

RECOMMENDATION: It is recommended that the Board recognize Barbara Hole, Cafeteria Manager at Memorial Park Middle School, for her contributions to the students, staff and faculty of Fort Wayne Community Schools.

RELATED INFORMATION: The Staff Spotlight program is the district's method of recognizing employees for outstanding work and commitment to excellence.

We honored Barbara Hole, an FWCS employee for 20 years. Barbara has worked all 20 years at Memorial Park. She started as a cafeteria assistant and quickly worked her way up to cafeteria manager. She oversees all daily operations, such as staff management, menu planning, food preparation, and financial record keeping. Barb has a real love for children. She always goes the extra mile to make sure her team of cafeteria assistants work together to make lunch time an enjoyable experience for all. Her biggest challenge is trying to serve 640 students daily as efficiently as possible every day. She feels rewarded however, when the students and staff give her a smile of appreciation. In her spare time, Ms. Hole enjoys traveling and spending time with her grandchildren.

A video highlighting her accomplishments was shown.

Vouchers

Dr. Robinson presented the vouchers for the period ending February 1, 2006, with the recommendation the vouchers be approved. A motion was made by Stephen Corona, seconded by Robert A. Armstrong, that the vouchers appearing in the listings numbered 06-02 and 06-03 be approved without exception. Roll Call: Ayes, unanimous; nays, none.

Marlene
Koenig
Pratt –
Scholarship
Gift

Dr. Robinson presented the following recommendation concerning the Marlene Koenig Pratt – Scholarship Gift:

RECOMMENDATION: It is recommended that the Board approve the acceptance of a \$4,000 gift from Marlene Koenig Pratt. The gift will create a scholarship for the benefit of FWCS high school students.

RELATED INFORMATION: Mrs. Marlene Koenig Pratt was awarded a scholarship as a student attending Central High School in 1949 to attend college to become a teacher. She would like to repay the favor by establishing her own scholarship to be awarded to a female high school senior planning to attend Ball State University to earn a degree in education. She has requested that the student rank in the upper 10 percent of her class. In addition, applicants will be screened on the basis of financial need, leadership, scholarship and initiative. The FWCS Scholarship Committee will make the final selection in awarding the scholarship, which will be for \$1,000 renewable for four years.

A motion was made by Kurt A. Walborn, seconded by Robert A. Armstrong, that the recommendation concerning the Marlene Koenig Pratt – Scholarship Gift be approved. Roll Call: Ayes, unanimous; nays, none.

520 E. Paulding Rd.	\$53,000	\$54,000	\$52,500

RELATED INFORMATION: The current school site at Geyer Middle School will be undergoing changes as it is converted to Towles Intermediate School this fall. This is the last house remaining in the block east of the school. Purchase of this property will allow flexibility for the school to expand playing fields. Funds are within budget. The owner has agreed to a purchase price that is less than the average of two appraisals

A motion was made by Kurt A. Walborn, seconded by Jon J. Olinger, that the recommendation concerning the Purchase of Property – Geyer Middle School be approved. Roll Call: Ayes, unanimous; nays, none.

Global
Positioning
Systems

Dr. Robinson presented the following recommendation concerning the Global Positioning Systems:

RECOMMENDATION: It is recommended that the Board approve purchasing 152 Global Positioning Systems (GPS) from:

Synovia	Indianapolis, IN	\$186,960.00
---------	------------------	--------------

RELATED INFORMATION: A study was conducted by the Transportation Department over several years to evaluate Global Positioning Systems (GPS) and their functional use for student transportation. In 2004, Synovia was determined by the Transportation Department to be the vendor that best met FWCS needs. A pilot project was initiated and GPS units were installed on 30 of our active buses. The pilot was successful and led to the installation of GPS units on 35 more buses during the past year.

The information received from the pilot units has been invaluable. FWCS not only knows where a bus is located but can also better answer questions from parents, such as when their student's bus is estimated to arrive. Safety issues such as the speed the bus has traveled, the stops that have been made, and the exact times of all bus activities are readily available. The ability to precisely pinpoint the location of a bus in the event of a breakdown ensures a timely replacement and the least amount of time for students to be inconvenienced.

The purchase of the GPS units is being made directly from the manufacturer, Synovia. Due to software compatibility requirements, Synovia is the sole source for their product. Indiana law does not require a bid for sole source purchases when the compatibility of equipment, accessories, or replacement parts is a substantial consideration in the purchase, and only one source meets the using agencies reasonable requirements (I.C. 5-22-10-8).

A motion was made by Carol J. Coen, seconded by Jon J. Olinger, that the recommendation concerning the Global Positioning Systems be approved. Roll Call: Ayes, unanimous; nays, none.

RECOMMENDATION: It is recommended that the Board approve the application for and acceptance of the Intel and Scholastic Schools of Distinction Award Grant for Pleasant Center Elementary School in the amount of \$25,000.

RELATED INFORMATION: The goal is to improve student comprehension through a variety of instruction to afford students with rich experiences in literature. The program would include written language in the form of books, magazines and other written literature for students to experience in the classroom and at home.

This program supports advancement intended and outlined in Strategy I: – *We will ensure high levels of learning for all students*, and Strategy 4: *We will function as a center of learning in the community*

A motion was made by Robert A. Armstrong, seconded by Carol J. Coen, that the recommendation concerning the Intel and Scholastic Schools of Distinction Award Grant - Pleasant Center Elementary School be approved. Roll Call: Ayes, unanimous; nays, none.

Report Superintendent Dr. Wendy Robinson presented a report on the state of Fort Wayne Community Schools including a video of the recent Showcase at Northrop High School.

Speakers Mr. Michael Caywood, principal at Holland Elementary School, represented the Fort Wayne Administrative and Professional Association (FWAPA) in support of the administration and the direction being taken to improve student achievement in FWCS.
Mr. Tim Morgan, a concerned parent, spoke to the Board about ethics and illegal activity.

Mrs. Mary K. Morgan, a concerned parent, spoke to the Board about student mental health and honor and integrity. She suggested that school officials should apologize to her son for things she perceives they did wrong.

Comments Board member Jon Olinger commented that he was thankful for the positive response by FWCS employees, in particular a bus driver, when dealing with a situation involving drugs on a school bus. Other Board members agreed with Mr. Olinger's statement.

Kurt Walborn thanked the FWCS staff including teachers who helped to put on the annual Showcase at Northrop. Mr. Walborn also commented on a trip taken by Board members to attend the National School Boards Association's conference in Washington, D.C. He, along with Board members Steve Corona, Carol J. Coen, and Board President Geoff Paddock were able to meet with our legislators.

Superintendent Robinson commented on the death of Mr. Richard Nickell, a retired employee who had worked with FWCS for many years and continued to volunteer at schools after his retirement and up to the time of his death. He will be missed.
