Read Across
America

RELATED INFORMATION: “You’re never too old, too wacky, too wild; to pick up a book, and read to a child.”

And that is what hundreds of community members, parents and business leaders will be doing on March 2, when Fort Wayne Education Association and Fort Wayne Community Schools hold the 8th annual Read Across America.

Several students shared the winning works they penned for the recent Read Across America essay contest. Read Across America chair Terrie Taulbee, teacher at Haley and Bunche elementary schools, and FWEA Board member, talked about this year’s salute to Dr. Seuss.

Amendment
to the 2005
Capital
Projects
Fund Plan

Dr. Robinson presented the following recommendation concerning the Amendment to the 2005 Capital Projects Fund Plan:

RECOMMENDATION: It is recommended that the 2005 Capital Projects Fund Plan be amended to include the adjustments identified on the attached resolution and that the Board hold a hearing and adopt the resolution to modify the 2005 Capital Projects Fund Plan.

RELATED INFORMATION: The State of Indiana requires the Board to hold a hearing and pass a resolution authorizing any changes in the Capital Projects Fund Plan. Needed funding will come from reassigning revenue for the following proposed changes:

General Building Systems – Fort Wayne Community Schools will be able to furnish and install insect screens on windows at secondary school classrooms, media centers, and cafeterias.

Kekionga Building Systems Replacement – This project is decreased as a result of the savings on the bids received.

Equipment – Unassigned: Each year the budget includes a small amount for unassigned equipment, in the event that revenues are above or below projections. By reducing this budget, the funds are available for other projects.

HEARING:

As published in the local newspapers on February 16 and February 23, 2005, this meeting was the official hearing for the modification of the 2005 Capital Projects Fund Plan. This was the appropriate time for anyone interested in this resolution to address the Board. No one spoke on the subject.

Choice and Increasing Parent Involvement Report
Dr. Doug Coutts, Chief Operations Officer, reported on how Fort Wayne Community Schools is working on increasing parent involvement as well as helping parents find the right school for their child through School Choice. A video highlighting Showcase 2005, the district's annual choice fair, was also shown. Geoff Paddock commented on the good attendance for Showcase despite the bad weather. Board members also commented on how early parents are beginning to investigate options for their children.

Comments
Mr. Stephen Corona commented on the process used by FWCS for an appeal of a student expulsion case. He would like us to consider having a third party to review cases. Carl A. Johnson felt that we have very highly qualified employees to follow the process set up by the Board's policies and he would not like to see an outsider involved. Dr. Robinson shared that she has organized a new committee to review the SMART document and the implementation of it. She plans to have administrators trained in the implementation of the SMART document and establish a process to ensure that students review the document in the classroom at the beginning of the school year.

Geoff Paddock thanked Dr. Robinson for providing information on bulk and cooperative purchases following the Purchasing Department report from the last Board meeting.

Guests
Mr. Tim Morgan, parent of a former Snider student, had signed up to speak at the meeting, but instead gave President Coen a list of questions to be answered by the Board and Dr. Robinson.

Next Meeting
The next regular meeting of the Board is scheduled for Monday, March 14, 2005, at 7:00 p.m. in the Lester L. Grile Administrative Center.

Signatures
Documents to be signed by members of the Board were the Regular Board Meeting Minutes from February 14, 2005, Payroll Certification, Voucher List and 2005 Capital Projects Fund Amendment Resolution.

Adjournment

There being no further business, upon a motion by Jon J. Olinger, seconded by Carl A. Johnson, the meeting was adjourned at 8:15 p.m.
