Status of
2010 Budget
Planning and
Impact on
District

Superintendent Wendy Robinson will give an update of the 2010 budget planning including the General Fund, Special Education Fund, Title I Funds, and Federal Stimulus Program.

Comments
and
Speaker

Steve Brace, UniServ Director for Indiana State Teachers Association spoke to the Board about the lay-off being considered in the personnel report the Board will vote on tonight. Mr. Brace expressed concern about the impact this lay-off will have on student instruction, school building atmosphere and individual teachers' lives. Mr. Brace would like to see more administrators and other district groups lobby the legislators to help with the budget. President GiaQuinta asked that Chief Financial Officer Kathy Friend provide Mr. Brace with information about the number of administration jobs being affected.

Board members thanked Dr. Robinson, the administration team and FWEA for their hard work in determining the best way to deal with this difficult situation of the unknown future of the 2010 budget.

President GiaQuinta suggested that we contact corporate leaders to ask their assistance in working with legislators during this budget process and Board member Pamela Martin-Diaz asked about putting information on our website about how to contact your legislator.
