

## Use Time-Order Words

- Choose your favorite meal. Write a story about how to make it.
- Use time-order words, such as *first*, *next*, *then*, and *finally*.
- Draw a picture of the meal. Read your story to a partner.

### You need

- > paper
- > pencils or pens
- > crayons or markers

## Step by Step

- Use classroom informational texts about inventors to choose one invention. Research how it was first made.
- Write a paragraph describing how the inventor created the invention. Make sure your ideas are in order. Use time-order words such as *first*, *next*, *then*, and *finally*.
- Share your paragraph with a partner.
