

What's the Difference?

Anansi

Working together is a good way to get things done.

- Choose two stories written by the same author.
- With a partner, list details that are the same and different. Figure out the themes. 
- Write a sentence comparing the themes of both stories.

Books in a Series

- Read two excerpts about the same character. 
- Use a Venn Diagram to compare how the settings and plots are the same and different. Discuss how the events of the story might change, but the way the character acts stays the same.
- With your partner, write another short adventure for the character. Change the setting and plot.
