

Steps in a Process

Make a direction booklet with clear steps.

stack two sheets of paper
so that the back sheet is
one inch higher than the
front sheet.

step 1

step 2

step 3

step 4

- Create a Layered Book Foldable® with four layers. Label the tabs *Step 1*, *Step 2*, *Step 3*, and *Step 4*.

- With a partner, think about something you know how to make. Write the steps in the Foldable®.

You need

- Have another pair use your directions. Are the steps in your process clear?

- paper
- pencils or pens
- Layered Book Foldable®
