Right-of-
Way
Dedication
at Northcrest
School

RECOMMENDATION: It is recommended that the Board authorize the dedication of right-of way to the City of Fort Wayne for curb improvements at Northcrest School. It is further recommended that the superintendent be authorized to sign the appropriate documents and take necessary steps to complete this transfer.

RELATED INFORMATION: The sidewalks along Stony Run Lane and Archwood Lane at Northcrest School were constructed right next to the streets. Cars pass very close to pedestrians and snow is plowed from the streets onto the sidewalks in winter. For the safety of our students walking to school, FWCS is moving the sidewalks in 5 feet and creating a green space next to the streets. In order to accomplish this, we must dedicate the 5-foot green space to the City. Funding for this project comes from the 2010 Capital Projects Fund budget, Site and Traffic lines. The construction contract has already been approved by the Board.

Consent
Agenda

A motion was made by Stephen Corona, seconded by Mitch Sheppard, that the following consent agenda recommendations be approved: Minutes from the regular Board meeting of May 10, 2010; vouchers for the period ending May 24, 2010; Personnel Report and Addendum; and Right-of-Way Dedication at Northcrest School. Roll Call: Ayes, unanimous; nays, none.
