Budget  
Update

President GiaQuinta asked Chief Financial Officer Kathy Friend to provide an update on the FWCS budget and our efforts at the state level to support education funding. President GiaQuinta encouraged people to contact state legislators to support funding education.

Dr. Wendy Robinson, superintendent, presented the following information and recommendations concerning awards and recognitions:

FWCS  
Scholarship  
Recipients

**RECOMMENDATION:** It is recommended that the Board recognize Fort Wayne Community Schools scholarship winners.

**RELATED INFORMATION:** Eighteen FWCS seniors were recently awarded scholarships by the Fort Wayne Community Schools scholarship committee. The scholarship committee is permanently chaired by Judge William C. Lee and other committee members are selected by FWCS Board members.

This year, the committee awarded the Caroline Zwick, John F. Young, Charles Baker, Maryann Chapman, Alice MacPherson, and Grace Hogan scholarships. Students who receive these scholarships must be FWCS seniors who plan to attend a four-year college or university. They are screened based on financial need, scholarship, leadership and initiative displayed during their high school years. Chapman recipients must also plan to earn a degree in the medical field.

Scholarship awards range from \$1,800 to \$6,000 to be paid over a four-year period.

In addition, three FWCS seniors were awarded Lilly Endowment Community Scholarships. These awards pay full-tuition and an \$800 annual stipend for books for four years.

Chairman of the Scholarship Committee Matt Henry introduced the following scholarship winners:

*Charles Baker Scholarship* – Dana Koomler

*Alice MacPherson Scholarship* – Alida Priest

*Maryann Chapman Medical Scholarship* – Emily Harris, Jasmin Khatana, Ria Massey, Khoa Ngo, and Cyteria Womack

eCYBER-  
MISSION  
Regional  
1st Place  
Winners

**RECOMMENDATION:** It is recommended that the Board recognize the students who placed first regionally in the 2009 eighth grade eCYBERMISSION competition.

**RELATED INFORMATION:** This U.S. Army sponsored program is a web-based science, math and technology competition allowing students to compete for awards while working to solve problems in their communities.

The Fort Wayne Community Schools BioBuds Team from Memorial Park Middle School was recognized by judges for its investigation into how fertilizer runoff containing nitrates damage water and soil. Using the IPFW greenhouse, the students experimented on several different types of plants and investigated the use of biostimulants as a cleaner alternative to fertilizer. Among their findings, the students discovered that while the fertilized plants looked the healthiest, they had the unhealthiest roots. They were awarded first place out of 78 eighth grade entries in our nineteen state region stretching from the eastern border of Ohio to the Pacific Ocean. For this each student will win a \$3,000 savings bond. The team will compete in the national finals with the three other regional first place teams in Washington, D.C. from June 27 – July 3, for which these students hope to win an additional \$5,000 bond.

The following individuals were recognized:

Emily Barrand  
Melanie Kowalski  
Landan Mintch  
Danielle Whitney  
Dan Coffin, Mentor  
Larry Lesh, Advisor  
Brian Smith, Principal

**RECOMMENDATION:** It is recommended that the Board recognize the recipient of an Indiana State PTA award.

Indiana State  
PTA Award

**RELATED INFORMATION:** At the 2009 Annual Indiana PTA Convention, Forest Park Elementary School was named the Indiana PTA Outstanding Unit of the Year. The Forest Park PTA was honored for its Million Penny Campaign to buy resource books for classrooms at the school. This campaign involved everyone in the school and community around it. The PTA wanted to do a fundraiser that would endure and not put financial restraints on families. The students could contribute themselves and feel a sense of ownership when books were purchased. Collection jars were at every event, and sometimes a mere donation brought school families into a PTA-sponsored activity. Recently Pre-Kindergarten and Kindergarten students collected 174,000 pennies through the grade level Jar Wars competition. The program has truly brought school families, teachers, administrators and community members together, working toward the goal of student enrichment and success.

The following individuals were recognized:

Indiana State PTA Outstanding Unit of the Year  
Julie Klingenberger, President  
Michelle Davidson, 1<sup>st</sup> Vice President  
Cyndi Knox, 2<sup>nd</sup> Vice President  
Linda Comstock, Treasurer  
Jay Peters, Principal

Student  
Basic  
Accident  
Insurance  
and Athletic  
Insurance

**RECOMMENDATION:** It is recommended that the Board approve a two year agreement for student accident insurance through UnitedHealthcare StudentResources at a cost of \$148,347 for 2009-2010.

**RELATED INFORMATION:** UnitedHealthcare StudentResources is the nation's largest marketer of student health and accident plans. The underwriter for the basic sports and accident coverage is United Healthcare Insurance. The catastrophic insurance will be underwritten by Mutual of Omaha.

We received proposals from six agents specializing in student insurance. UnitedHealthcare StudentResources provided the lowest premium for the coverage we requested. The premium for the basic sports and accident insurance for the 2009-2010 school year will be \$144,250. That is a \$7,097 decrease from the year before. This will provide a \$25,000 maximum medical benefit with a \$0 deductible for each student. The premium for 2010-2011 will remain the same as the previous year unless losses exceed 65 percent of the premium. In that event, the premium may increase by the percentage losses that exceed 65 percent up to a maximum increase of 15 percent.

The premium for catastrophic coverage will be \$4,097 for the 2009-2010 school year which is a \$4,422 decrease from the year before. The premium for catastrophic coverage is not guaranteed for 2010-2011. The coverage with a maximum benefit of \$5,000,000 is for middle school athletes only. The IHSAA provides catastrophic coverage for high school athletes.

Optional policies will be offered at registration time to provide 24-hour coverage and/or extended dental coverage at the expense of the parents.

Prices for  
School  
Meal  
Programs  
2009-2010

**RECOMMENDATION:** It is recommended that the Board approve the following meal prices effective beginning with the 2009-2010 school year. These prices reflect no change in breakfast or lunch prices.

	BREAKFAST 2009-2010	LUNCH 2009-2010
Elementary Schools	\$1.10	\$1.45
Middle/High Schools	\$1.20	\$1.55
Towles Intermediate	\$1.20	\$1.55
Adults	\$1.75	\$2.75

**RELATED INFORMATION:** From year to year, the prices of meals served by FWCS are reviewed as part of the overall year-end evaluation of the Nutrition Services Department. No adjustments in meal prices are required for the 2009-2010 year. The prices remain below the state lunch averages.

This action supports the FWCS District Goal III: *Operate with fiscal responsibility, integrity and effectiveness.*

School  
Nutrition  
Programs for  
2009 – 2010

**RECOMMENDATION:** It is recommended that the Board approve the renewal of Fort Wayne Community Schools agreement with the Indiana Department of Education to continue the School Nutrition Programs for 2009-10.

**RELATED INFORMATION:** Each year school districts throughout Indiana are required to renew their membership in the School Nutrition Programs. By virtue of this application with the State of Indiana, authority is given to Fort Wayne Community Schools to participate in the School Nutrition programs of School Lunch, School Breakfast, Food Distribution, Summer Food Service, and Child and Adult Care Food Program. Responsibilities of Fort Wayne Community Schools and the Indiana Department of Education, Division of School and Community Nutrition Programs are outlined in the contract which remains on file in the Nutrition Services office.

This agreement supports District Goal III: *Operate with fiscal responsibility, integrity and effectiveness.*

Full Day  
Kindergarten  
Grant

**RECOMMENDATION:** It is recommended that the Board approve the application for and acceptance of the 2009-2010 Full Day Kindergarten Grant.

**RELATED INFORMATION:** The purpose of this grant is to provide full day programs in all schools to improve the academic and social development of children in kindergarten.

The grant opportunity is open to all public school corporations in Indiana. The funds available for the 2009-2010 school year total \$58,500,000. If all public school corporations chose to participate, the minimum grant award would be equal to \$788 per full day kindergarten student or about \$1.9 million for FWCS.

Title I Basic  
and  
Neglected  
Grant

**RECOMMENDATION:** It is recommended that the Board approve the administration's acceptance of the Title I Basic and Neglected Grant fiscal year 2010 in the amount of \$11,732,109.69 from the Indiana Department of Education.

**RELATED INFORMATION:** Title I is a federally funded program designed to enable schools with high concentrations of low-income students to provide opportunities for children to acquire the knowledge and skills in the state content areas and to meet the state performance standards for all children.

Eligibility for Title I services is based on criteria related to family income. FWCS determines target areas on the basis of numbers of students receiving free and reduced lunch. For FWCS, Title I services are delivered in the following twenty schools: Abbett, Adams, Bloomingdale, Fairfield, Forest Park, Franke Park, Harrison Hill, Indian Village, Maplewood, Nebraska, Northcrest, South Wayne, Scott, Study, Washington, Kekionga, Lakeside, Miami, Northwood, and Portage.

Students living in the target areas who attend non-public schools are provided instruction through a resource teacher, an instructional assistant or a service provider. Twenty non-public schools also participate in the fiscal year 2010 grant. In addition, one institution for neglected children, Crossroad, will receive services. Services to homeless FWCS students also fall within the Title I grant.

The grant supports District Goal I: *Achieving and Maintaining Academic Excellence* and is managed by Carol Kettler, Title I Manager.

Title I  
Delinquent  
Grant

**RECOMMENDATION:** It is recommended that the Board approve the administration's application for and acceptance of the Title I Delinquent Grant for fiscal year 2010 in the amount of \$688,916.40 from the Indiana Department of Education.

**RELATED INFORMATION:** Allen County Juvenile Center receives funds through the Title I Delinquent Grant to support instruction and transitional services for clients. Instruction is designed to sustain academic growth during residency and to close the achievement gap. Both credit course work and/or tutorial services are available.

The grant supports District Goal I: *Achieving and Maintaining Academic Excellence* and is managed by Carol Kettler, Title I Manager.

Appointment  
of Project  
Architect for  
2009  
Construction

Dr. Robinson presented the following recommendation concerning the Appointment of Project Architect for 2009 Construction Project:

**RECOMMENDATION:** It is recommended that the Board approve the appointment of project architects and engineers for the following 2009 project:

Project	Architect / Engineer	Estimated Project Budget
Traffic & Site PPI	SCO Engineering, LLC	\$400,000

**RELATED INFORMATION:** At its September 8, 2008 meeting, the Board of School Trustees approved the 2009-2011 Capital Projects Plan. Indiana law requires that projects over \$100,000 make use of a registered architect or a professional engineer for developing plans and specifications. Project architects/engineers need to be appointed now to allow sufficient time for planning and bidding of the projects to ensure completion during the summer of 2009.

A motion was made by Kevin Brown, seconded by Mitch Sheppard, that the recommendation concerning the Appointment of Project Architect for 2009 Construction Project be approved. Roll Call: Ayes, unanimous; nays, none.
