

When Did it Happen?

20
Minutes

You need

- > fiction selection
- > paper
- > pencils or markers

- Pick a story you read this week.
- With a partner, complete the sequence graphic organizer.
- Use the organizer to retell the story to another pair. Talk about why knowing the correct sequence is important.

Story Shuffle

20
Minutes

You need

- > fiction selection
- > paper and pen or pencil
- > index cards

- Select a story you have read this week. Talk about the main events in the story.
- Write the main events from the story on index cards. Write one event on each card.
- Shuffle the cards. Put the cards in the order. Talk about why this sequence makes sense in the story.
