Roll Call: Ayes, unanimous; nays, none.

Perpetual
Multi-
Purpose
Recreational
Trail
Easement
and Transfer
of Parcel at
the North
Transportati
on Center
and
Northrop

Dr. Robinson presented the following recommendation concerning the Perpetual Multi-Purpose Recreational Trail Easement and Transfer of Parcel at the North Transportation Center and Northrop High School:

RECOMMENDATION: It is recommended that the Board ratify the granting of a perpetual multi-purpose recreational trail easement and the transferring of rights of a parcel adjacent to the North Transportation Center and Northrop High School to the City of Fort Wayne, Indiana.

It is further recommended that the Superintendent or her designee be authorized to sign the appropriate documents and take necessary steps to complete the transfer and grant the City of Fort Wayne the temporary license to enter the property for the purpose of constructing a portion of the multi-purpose recreational trail, otherwise known as the Pufferbelly Trail, over and under the easement area.

RELATED INFORMATION: The easement consists of a parcel along the north portion of the west property line of FWCS' North Transportation Center containing 50 square feet or 0.001 acre.

The transfer of rights are to a 50' wide x 11,312.7' long parcel (approximately 1.50 acres) consisting of the east half of a former 100' railroad right of way abandoned by the Penn Central Railroad. The City intends to use this strip of ground to construct a segment of the Pufferbelly Trail. The effect of the quit claim deed is to disclaim any interest FWCS may have in this tract and to facilitate the establishment of title to this strip of ground to the City. State law governing the conveyance of property by a political subdivision allows a political subdivision to execute a deed or other instrument to facilitate the clearance of title. IC 36-1-11-11.

Questions will be addressed by Director of Facilities Darren Hess.

A motion was made by Becky Hill, seconded by Julie Hollingsworth, that the recommendation concerning the Perpetual Multi-Purpose Recreational Trail Easement and Transfer of Parcel at the North Transportation Center and Northrop High School be approved. Roll Call: Ayes, unanimous; nays, none.

Report of
2015 Gifts,
Grants and
Donations

Dr. Robinson presented the following recommendation concerning the Report of 2015 Gifts, Grants and Donations:

RECOMMENDATION: It is recommended that the attached list of gifts, grants and donations be officially accepted by the Board.

RELATED INFORMATION: Throughout the school year, various schools receive gifts and donations from individuals, organizations and businesses. Authorization to receive gifts is a Board function. The State Board of Accounts has agreed that a listing of all gifts received during any one year and ratified by the Board would meet audit requirements.

Attached is a listing of gifts, grants and donations as submitted by various FWCS unit heads for 2015. A detailed report is on file in the Business Office.

Unit heads are encouraged to express appropriate appreciation for any and all gifts received.

Questions will be addressed by Chief Financial Officer Kathy Friend.
