Removal of
Item from
Consent
Agenda

In order for the Superintendent to introduce new Administrators, President GiaQuinta requested the Personnel Report be removed from the Consent Agenda.

Consent
Agenda

Dr. Robinson presented the following consent agenda items with recommendations for approval: Minutes from the regular Board meeting held June 8, 2015; Vouchers for the Period Ending June 22, 2015; and Temporary Inter-fund Loan.

Minutes

The minutes from the regular Board meetings held June 8, 2015, were distributed to Board members for review with a recommendation for approval.

Vouchers **RECOMMENDATION:** It is recommended that the Board approve the vouchers for the period ending June 22, 2015.

RELATED INFORMATION: All vouchers paid by the Fort Wayne Community Schools appear on a voucher listing. The voucher listing for the first meeting of the month includes the payroll and fixed charges for the previous month.

Detail of all invoices paid remains on file in the Business Office until audited by the State Board of Accounts. Following the audit, vouchers are placed in storage for not less than seven (7) years following payment.

Temporary Inter-fund Loan **RECOMMENDATION:** It is recommended that the Board approve all inter-fund loans necessary to eliminate deficits in certain funds of the corporation as of June 30, 2015.

RELATED INFORMATION: Cash deficits in funds of the corporation are not allowed at the end of a fiscal year. Deficits in property tax supported funds could occur if the distribution of property taxes from Allen County is short of expectations. Normal timing differences between revenue and expenditures in the General Fund could cause a temporary deficit. State statute allows temporary transfers between funds if certain requirements are met. The treasurer will make all necessary transfers and report the loans to the Board.

A motion was made by Stephen Corona, seconded by Julie Hollingsworth, that the following consent agenda items be approved: Minutes from the regular Board meeting held June 8, 2015; Vouchers for the Period Ending June 22, 2015; and Temporary Inter-fund Loan be approved. Roll Call: Ayes, unanimous; nays, none.

Purchase of
Apple iPad
Airs

Dr. Robinson presented the following recommendation concerning the Purchase of Apple iPad Airs:

RECOMMENDATION: It is recommended that the Board approve the purchase of 560 Apple iPad Airs.

Apple Inc.

Austin, Texas

\$190,740

RELATED INFORMATION: The iPad Airs will be used in eighth grade math classrooms. They will provide additional technology opportunities with interactive APPs that FWCS curriculum supports for students and provide teachers with more tools to deliver interactive instruction. The purchase of the iPad Airs will occur in one increment for implementation at the beginning of the first semester 2015-16 school year.

Funding will come from the Common School Fund.

Apple, Inc. is the sole source provider for their products. Indiana Law does not require public bidding for purchases made from sole source providers.

Questions will be answered by Assistant Superintendent Secondary Rita Turflinger.

A motion was made by Becky Hill, seconded by Jordan Lebamoff, that the recommendation concerning the Purchase of Apple iPad Airs be approved. Roll Call: Ayes, unanimous; nays, none.

Purchase of HP
Computers &
Laptops, and
Microsoft
Surface Pro 3's

Dr. Robinson presented the following recommendation concerning the Purchase of HP Computers & Laptops, and Microsoft Surface Pro 3's:

RECOMMENDATION: It is recommended that the Board approve the purchase of technology for high schools.

- 110 HP computers for Wayne New Tech Academy, and 110 HP computers for Towles New Tech from Hewlett Packard Direct of Omaha, NE for \$232,694.00. Additionally, preparation services for these computers will be purchased from MCPc of Cleveland, OH for \$3,960.00.
- 302 HP laptop/mobile computers for students and 12 HP desktop computers for students from Hewlett Packard Direct for \$205,878.00. Additionally, preparation services for these computers will be purchased from MCPc for \$5,652.00.

- 131 Microsoft Surface Pro 3 laptop/mobile computers for staff from Insight Public Sector of Tempe, AZ for \$146,765.85.

RELATED INFORMATION: Due to the curricular and instructional needs of the New Tech programs at Wayne and Towles, technology is a one-to one implementation. Therefore, each year the purchase of new computers is necessary to meet the needs of incoming students. The funds for these computers will come from the combination of General Fund and Common School Fund (CSF).

The 314 HP laptop/mobile computers and desktops for students, as well as the 131 Microsoft laptop/mobile computers for staff will be used to replace outdated. These purchases will be made from CSF.

For all of the HP computer purchases, Indiana law does not require public bidding for purchases made below General Services Administration (GSA) pricing. The price of these computers and laptop/mobile computers is approximately 50% less than GSA pricing.

The purchase for the Microsoft Surface Pro 3 laptop/mobile computers is based on a competitive quote process.

Faye Robbins, Assistant Superintendent Secondary/High, is available to answer questions.

A motion was made by Jordan Lebamoff, seconded by Julie Hollingsworth, that the recommendation concerning the Purchase of HP Computers & Laptops, and Microsoft Surface Pro 3's be approved. Roll Call: Ayes, unanimous; nays, none.
