Calendar to
Fiscal Year
Salary and
Benefit Day
Schedules

RECOMMENDATION: It is recommended that the Board approve the conversion of calendar year salary and benefit day schedules to fiscal year schedules beginning July 1, 2010, for Groundskeepers, Food Service Employees, Secretaries, Media Clerks, Assistants, and Clerks represented by American Federation of State, County and Municipal Employees (AFSCME), Local 561.

RELATED INFORMATION: Salary and benefit day schedules for employees represented by AFSCME, Local 561 are presently based on calendar year. All other FWCS employees were transitioned from calendar year to fiscal year on January 1, 2010. Converting the remaining FWCS employees to fiscal year schedule will simplify the administration of pay raises, step increases and employee benefit days.

Employees who are eligible for step increases (increments) will receive a step increase on July 1, 2010, and each July 1, thereafter until an employee reaches the maximum step of their job classification.

Medicaid
Reimburse-
ment

RECOMMENDATION: It is recommended that the Board approve a one-year contract renewal with Go Solutions Group, Inc. to provide Fort Wayne Community Schools with Medicaid reimbursement services.

RELATED INFORMATION: Reimbursable services include speech/language therapy, occupational therapy, physical therapy, social work, nursing and individual psychological evaluations for eligible Special Education students. Go Solutions Group, Inc. of Lansing, Michigan has provided a web based program since 2004. Their fee is based on \$0.20 per IEP student and \$0.80 per claim, the same rate as the 2009 renewal. The funds recovered will help support current Special Education expenditures paid from the General Fund. In 2009, \$232,458 was collected net of their fee.

Title I Basic
and
Neglected
Grant

RECOMMENDATION: It is recommended that the Board approve the administration's acceptance of the Title I Basic and Neglected Grant for fiscal year 2011 in the amount of \$10,588,934.61 from the Indiana Department of Education.

RELATED INFORMATION: Title I is a federally funded program designed to enable schools with high concentrations of low-income students to provide opportunities for children to acquire the knowledge and skills in the state content areas and to meet the state performance standards for all children.

Eligibility for Title I services is based on criteria related to family income. FWCS determines target areas on the basis of numbers of students receiving free and reduced lunch. For FWCS, Title I services are delivered in the following twenty schools: Abbett, Adams, Bloomingtondale, Fairfield, Forest Park, Franke Park, Harrison Hill, Indian Village, Maplewood, Nebraska, Northcrest, South Wayne, Scott, Study, Washington, Kekionga, Lakeside, Miami, Northwood, and Portage.

Students living in the target areas who attend non-public schools are provided instruction through an instructional interventionist, an instructional assistant or a service provider. Twenty-one non-public schools also participate in the fiscal year 2011 grant. In addition, one institution for neglected children, Crossroad, will receive services. Services to homeless FWCS students also fall within the Title I grant.

The grant supports District Goal I: *Achieving and Maintaining Academic Excellence* and is managed by Carol Kettler, Title I Manager.

Title I
Delinquent
Grant

RECOMMENDATION: It is recommended that the Board approve the administration's application for and acceptance of the Title I Delinquent Grant for fiscal year 2011 in the amount of \$368,682.39 from the Indiana Department of Education.

RELATED INFORMATION: Allen County Juvenile Center receives funds through the Title I Delinquent Grant to support instruction and transitional services for clients. Instruction is designed to sustain academic growth during residency and to close the achievement gap. Both credit course work and/or tutorial services are available.

The grant supports District Goal I: *Achieving and Maintaining Academic Excellence* and is managed by Carol Kettler, Title I Manager.

Purchase of
Wrapping
Machine for
the Nutrition
Process
Center

RECOMMENDATION: It is recommended that the Board approve the purchase of a Campbell "Revolution" Four Axis Servo Horizontal Wrapping Machine to replace the current wrapping machine at the Nutrition Process Center.

RELATED INFORMATION: The price of the machine is \$220,450.00. This price includes the machine, freight, spare parts kit, 1-year warranty, stainless steel framing, and installation by Campbell. Campbell Wrapper Corporation is the sole source for Campbell Wrapping Machines. Six other known companies that manufacture wrapping machines were contacted for operational specifications. Campbell is the only company that meets the height requirement to fit Nutrition Services products. Additionally, several of the companies also failed the requirement to be able to operate in a cold environment.

Indiana law doesn't require public bidding for purchases from a sole source. No bid is required for the purchase of the Campbell wrapping machine because the purchase is directly from the sole source manufacturer.

Funding for this purchase will be from the Food Service Center Building Corporation Fund.

Student
Rights and
Responsibil-
ities Code
2010

Dr. Robinson presented the following recommendation concerning the Student Rights and Responsibilities Code 2010:

RECOMMENDATION: It is recommended that the Board approve the 2010-2011 Student Rights and Responsibilities Behavior Code.

RELATED INFORMATION: The Student Rights and Responsibilities Behavior Code, first created in 1996, was developed to assist schools in providing consistency and fairness in disciplinary matters. This year, changes were recommended by the Student Management and Resource Team (S.M.A.R.T.) review committee and approved by legal counsel.

The Student Rights and Responsibilities Behavior Code will be a section included in the Student Parent Handbook. It will be published and mailed to each FWCS family before August registration.

A motion was made by Stephen Corona, seconded by John Peirce, that the recommendation concerning the Student Rights and Responsibilities Code 2010 be approved. Roll Call: Ayes, unanimous; nays, none.

Board member Becky Hill shared about her experience of being on the handbook committee. Chief Academic Officer Steve Cobb thanked the committee and told Board members we will continue to work on the document to make it more user-friendly and understandable.

Update on LEAD Staffing Process	Dr. Robinson presented an update on the LEAD school staffing process including information about the revised schedule for LEAD job fairs. Dr. Robinson informed the Board that we continue to communicate with all stakeholders and we remain faithful to the process for placement of employees in LEAD schools. Individuals will not be placed in LEAD schools just to fill a position. Board members are concerned about the possibility after the surplus process that we would have more people employed than positions available. Dr. Robinson assured the Board that there will be no employees receiving a paycheck without work.
Comments	Board member John Peirce inquired about the custodial outsourcing issues. Dr. Robinson reported that Sodexo would begin interviewing next week. Board member Steve Corona asked about the process being followed for distribution / displaying Elmhurst memorabilia. Dr. Robinson referred anyone who may have questions to High School Area Administrator D. Faye Williams-Robbins. Board member Pamela Martin-Diaz asked about orientations for students and teachers at LEAD schools. This may be a difficult transition time for some individuals. Mark GiaQuinta commented that there should be a public initiative against Imagine Charter School starting another charter school.
Next Meeting	The next regular meeting of the Board is scheduled for Monday, July 26, 2010, at 6:00 p.m. in the Lester L. Grile Administrative Center.
Signatures	Documents to be signed by members of the Board were the Regular Board Meeting Minutes from June 14, 2010, Payroll Certification, and Voucher List.
Adjournment	There being no further business, upon a motion by Kevin Brown, seconded by Becky Hill, the meeting was adjourned at 8:24 p.m.
Speakers	Mr. Robert Koop representing Save Elmhurst asked the Board not to delay the Elmhurst lawsuit by asking for a new judge. High school parent Tina Junk asked about informing parents about student placement as soon as possible. Ms. Junk was referred to Chief Academic Officer Steve Cobb.
Dismissal	The meeting dismissed at 8:27 p.m.
