

A Stronger Finish

- Read Cameron's conclusion on the front of the card.
- Based on the conclusion, what do you think his main idea was? What details might help make the conclusion stronger?
- Work together to make Cameron's conclusion stronger. Discuss your revision with another pair.

You need

- > paper and pen or pencil

A Call to Action

- On the front of the card, read Cameron's conclusion to a letter on recycling.
- Think about ways Cameron can use the conclusion to call students to action. What specific ideas might he propose? List these.
- Revise the conclusion to include specific details and make the final call to action stronger. Read your conclusion aloud to a partner.

You need

- > paper and pen or pencil
