Coen, seconded by Stephen Corona, that the vouchers appearing in the listings numbered 06-12 and 06-13 be approved without exception. Roll Call: Ayes, unanimous; nays, none.

Application for Common School Fund Loan Dr. Robinson presented the following recommendation concerning the Application for Common School Fund Loan:

RECOMMENDATION: It is recommended that the Board approve the application for and acceptance of an advancement from the Indiana Common School Fund for educational technology equipment for 2006 in the amount of \$1,950,000.

RELATED INFORMATION: Advancements from the Common School Fund provide funds for school districts to purchase educational technology. The Fort Wayne Community Schools (FWCS) will use these moneys to help fund the FWCS technology plan previously submitted to the state. Technology funds are currently insufficient to fund all the technology needs of the school corporation.

Funds are provided as a loan and are awarded to school corporations on the basis of assessed value (AV) per pupil, with low AV per pupil school corporations receiving funds before high AV per pupil corporations. FWCS therefore cannot be assured of receiving the requested advancement.

Should the application be successful, funds will be budgeted in the Debt Service Fund to repay this loan beginning in the year 2008. Interest on the loan is expected to be no more than four percent and is likely to be as low as one percent.

Common School Fund advancements differ from School Technology Advancement Account (STAA) loans, which FWCS receives on an annual basis. Unlike CSF advancements, STAA advancements are given to all applying school corporations, regardless of their assessed value per pupil ranking.

A motion was made by Kurt A. Walborn, seconded by Carol J. Coen, that the recommendation concerning the Application for Common School Fund Loan be approved. Roll Call: Ayes, unanimous; nays, none.

2007 Board Meeting Schedule Dr. Robinson presented the following recommendation concerning the 2007 Board Meeting Schedule:

RECOMMENDATION: It is recommended that the Board approve the schedule for Board meetings for 2007. Meetings are held at 7:00 p.m. on Monday evenings at the Grile Administrative Building.

RELATED INFORMATION: Dates considered are the second and fourth Mondays of each month.

Student Rights
and
Responsibilities
and Behavior
Code

Dr. Robinson presented the following recommendation concerning the Student Rights and Responsibilities and Behavior Code:

RECOMMENDATION: It is recommended that the Board approve the 2006-2007 Student Rights and Responsibilities and Behavior Code booklet.

RELATED INFORMATION: This document, first created in 1996, was developed to assist schools in providing consistency and fairness in disciplinary matters. This year, changes were recommended by the S.M.A.R.T. Review committee, comprised of principals, assistant principals, teachers, and students. These changes have also been reviewed and approved by legal counsel. This booklet reflects those changes.

A motion was made by Robert A. Armstrong, seconded by Jon J. Olinger, that the recommendation concerning the Student Rights and Responsibilities and Behavior Code be approved. Roll Call: Ayes, unanimous; nays, none.

Change Order
– Central
Food Service
Center Project

Dr. Robinson presented the following recommendation concerning the Change Order – Central Food Service Center Project:

RECOMMENDATION: It is recommended that the Board approve the following change order for the Central Food Service Center Project.

<u>CONTRACTOR</u>	<u>REASON FOR CHANGE</u>	<u>CURRENT CONTRACT</u> <u>AMOUNT</u>	<u>CHANGE</u>
Michael Kinder & Sons, Inc.	refrigeration system changes, kitchen equipment changes, and unsuitable soil conditions	\$8,325,900.00	\$125,575.00

RELATED INFORMATION: Because of the size and complexity of the Central Food Service Center Project, contract changes can be anticipated. Unforeseen conditions and the acceptance of alternates are normally the reason. Changes to the scope of work are approved only after FWCS personnel consult with the architect. This change order reflects additional work recommended on the project. Project funds have been set aside to cover such occurrences.

A motion was made by Robert A. Armstrong, seconded by Carol J. Coen, that the recommendation concerning the Change Order – Central Food Service Center Project be approved.
Roll Call: Ayes, unanimous; nays, none.
