

## Create a Text Feature

- Pick an informational text you have read that includes a text feature, such as a chart, diagram, or time line.
- Discuss what information you learn from each text feature.
- Create your own text feature that might help someone understand information in the article.

### You need

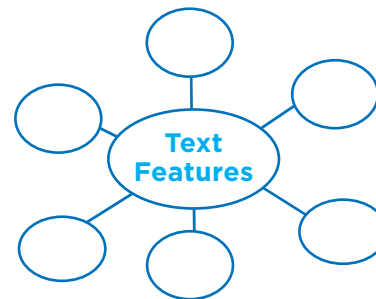

- > informational text
- > paper and pen or pencil

## Text Feature Search

- Find three online articles on a similar subject.
- In the center circle of an idea web, write *Text Features*. In the web, write the kinds of text features you found in the articles.
- Read one article. How did text features contribute to your understanding of it?

### You need

- > Internet
- > paper and pen or pencil
