Grant  
Application  
Supplemental Title III:  
Language Instruction for Limited English Proficient and Immigrant Students

Dr. Robinson presented the following recommendation concerning the Grant Application Supplemental Title III: Language Instruction for Limited English Proficient and Immigrant Students:

**RECOMMENDATION:** It is recommended that the Board approve the application for and acceptance of the supplemental portion of Title III: Language Instruction for Limited English Proficient and Immigrant Students for 2013-14 in the amount of \$10,035.14 from the Office of English Learning and Migrant Programs of the Indiana Department of Education.

**RELATED INFORMATION:** This supplemental portion of the Title III grant is made available to school corporations to assist in the implementation of the WIDA (World-class Instructional Design and Assessment) English Language Development (ELD) standards. The funding is a one-time opportunity allocated by the Indiana Department of Education based on the number of limited English proficient (LEP) students in Fort Wayne Community Schools during the 2012-13 school year. Funds from this grant will allow for the purchase of hardcopy WIDA standards resources for every FWCS school.

This non-competitive grant written by ELL Manager Emily Schwartz Keirns, supports advancement intended and outlined in the FWCS District Goal I: *Achieve and Maintain Academic Excellence*. Questions will be answered by ELL Manager Emily Schwartz Keirns.

Appointment  
of Project  
Architects  
for School  
Basic  
Renewal/Restoration and  
Safety  
Construction  
Projects –  
2012 Bond  
Project

Dr. Robinson presented the following recommendation concerning the Appointment of Project Architects for School Basic Renewal/Restoration and Safety Construction Projects – 2012 Bond Project:

**RECOMMENDATION:** It is recommended that the Board approve the appointment of project architects and engineers for each of the following School Basic Renewal/Restoration and Safety Construction Projects:

Project	Architect / Engineer
Haley Elementary	Primary Engineering, Inc.
Jefferson Middle School	SchenkelShultz Architecture
Weisser Park Elementary	Design Collaborative

**RELATED INFORMATION:** At its May 12, 2014 meeting, the Board of School Trustees approved the Strategy Plan for these three projects. Indiana law requires that projects over \$100,000 make use of a registered architect or a professional engineer for developing plans and specifications. Project architects/engineers need to be appointed now to allow sufficient time for planning and bidding of the projects to ensure the starting of these projects in the summer of 2015.

Classrooms

Dr. Robinson presented the following recommendation concerning the Addition of Title I PreK Classrooms:

**RECOMMENDATION:** It is recommended that the Board acknowledge and support the addition of Title I PreK classrooms at Lindley and Washington Elementary Schools beginning the school year 2014-15.

**RELATED INFORMATION:** Currently, there are 15 Pre-K programs fully funded by Title I servicing just under 500 four year old students. All programs have been and continue to be NAEYC (National Association for the Education of Young Children) accredited. Adding the two additional programs will increase the enrollment to just under 550. Each additional program will have one certified teacher and one classified assistant to instruct students at a 1:8 ratio, in alignment with NAEYC standards.

Questions will be answered Assistant Superintendent Pam Musick and Title I Manager Kim Brooks.

A motion was made by Becky Hill, seconded by Stephen Corona, that the recommendation concerning the Addition of Title I PreK Classrooms be approved. Roll Call: Ayes, unanimous; nays, none.

Medicaid  
Reimburse-  
ment

Dr. Robinson presented the following recommendation concerning the Medicaid Reimbursement:

**RECOMMENDATION:** It is recommended that the Board approve a six month contract renewal with Go Solutions Group, Inc. to provide Fort Wayne Community Schools with Medicaid reimbursement services.

**RELATED INFORMATION:** Reimbursable services include speech/language therapy, occupational therapy, physical therapy, social work, nursing and individual psychological evaluations for eligible Special Education students. Go Solutions Group, Inc. of Lansing, Michigan provides a web based program. Their fee is based on \$0.20 per IEP student per month and \$0.80 per claim, the same rate as the 2012 renewal. The funds recovered will help support current Special Education expenditures paid from the General Fund. In 2013, the Federal share of \$380,255.36 was collected net of their fee. Questions will be answered by Special Education Manager Dr. Renee Buskirk.

A motion was made by Julie Hollingsworth, seconded by Becky Hill, that the recommendation concerning the Medicaid Reimbursement be approved. Roll Call: Ayes, unanimous; nays, none.

Bid  
Recommend  
ation for  
Beverages,  
P/B  
#BD101000

Dr. Robinson presented the following recommendation concerning the Bid Recommendation for Beverages, P/B #BD101000:

**RECOMMENDATION:** It is recommended that an award be made to the lowest responsible and responsive bidders meeting specifications and quality standards.

Company	Location	Total
Commercial Food Service	Indianapolis, IN	\$36,837.00
Gordon Food Service	Grand Rapids, MI	\$243,476.50
Prairie Farms	Fort Wayne, IN	\$70,333.00
Seven-Up Bottling Group	Fort Wayne, IN	\$27,250.00
Stanz Food Service, Inc	South Bend, IN	\$32,051.00
	Total	\$409,947.50

**RELATED INFORMATION:** The bid is for a one-year contract, with an option to extend, to supply bottled water and juice to FWCS schools and facilities. Good nutrition is Nutrition Services' primary goal. Due to Federal requirements, more stringent specifications are now being used for beverages to be served in schools through Nutrition Services.

Beverages containing nutrients are preferred in making award determinations. The nutrients considered are Vitamin A, Vitamin B6, Vitamin B12, Vitamin C, calcium, niacin, thiamin, riboflavin and iron.

Invitations to Bid were mailed to six prospective bidders with six responding. The bid of Coca-Cola Bottling Company of Fort Wayne was rejected for being non-responsive.

Overall, the prices of the recommended bidders reflect a 1% decrease of like items when compared to the last quote opened in July 2013.

Questions will be answered by Director of Nutrition Services Candice Hagar.

A motion was made by Jordan Lebamoff, seconded by Julie Hollingsworth that the recommendation concerning the Bid Recommendation for Beverages, P/B #BD101000 be approved. Roll Call: Ayes, unanimous; nays, none.

School  
Technology  
Advancement  
Account  
Application

Dr. Robinson presented the following recommendation concerning the School Technology Advancement Account Application:

**RECOMMENDATION:** It is recommended that the Board approve the application for and the receipt of an advancement from the School Technology Advancement Account in the amount of \$615,660 for the 2014-2015 school year.

**RELATED INFORMATION:** The School Technology Advancement Account provides funds annually for school systems to purchase computer technology for student instruction. The Fort Wayne Community Schools uses these moneys to fund learning and technology plans of schools.

The request of \$615,660 is based on a guideline provided by the state of \$500 for each 25 students. Funds are provided in the form of a loan with a very low interest rate. The last loan under this program had an interest rate of one (1) percent. Funds would be budgeted in the Debt Service Fund to repay this loan beginning in 2016.

Questions will be answered by Director of Technology Jack Byrd.

A motion was made by Stephen Corona, seconded by Becky Hill, that the recommendation concerning the School Technology Advancement Account Application be approved. Roll Call: Ayes, unanimous; nays, none.

Report of  
2013 Gifts,  
Grants, and  
Donations

Dr. Robinson presented the following recommendation concerning the Report of 2013 Gifts, Grants, and Donations:

**RECOMMENDATION:** It is recommended that the attached list of gifts, grants, and donations be officially accepted by the Board.

**RELATED INFORMATION:** Throughout the school year, various schools receive gifts and donations from individuals, organizations, and businesses. Authorization to receive gifts is a Board function. The State Board of Accounts has agreed that a listing of all gifts received during any one year and ratified by the Board would meet audit requirements.

Below is a listing of gifts, grants, and donations as submitted by various FWCS unit heads for 2013. A detailed report is on file in the Business Office.

Unit heads are encouraged to express appropriate appreciation for any and all gifts received.

Questions will be answered by Chief Financial Officer Kathy Friend.

Comments

Board member Glenna Jehl commented that she is looking forward to a great year. Ms. Jehl also wanted to clarify that her thoughts and comments surrounding the common core are because she thinks that the Federal Government is over reaching and should not be involved in local school decisions on academics.

Board member Becky Hill encouraged everyone to stop by Grile to pick up an FWCS yard sign.

Board member Julie Hollingsworth commented about *The Journal Gazette* article about mental health. Students come to our doors with issues that we need to deal with. Ms. Hollingsworth commented on the new construction going on at many of our schools. She also commented about the issues with the No Child Left Behind waiver and the State interfering with local issues.

Next Meeting	The next regular meeting of the Board is scheduled for Monday, August 11, 2014 at 6:00 p.m. in the Lester L. Grile Administrative Center.
Signatures	Documents to be signed by members of the Board were the Regular Board Meeting Minutes from June 23, 2014; Payroll Certification for pays 12, 13, 14 and 15; Voucher lists; Go Solutions Group, Inc. contract and STAA loan application.
Adjournment	There being no further business, upon a motion by Stephen Corona, seconded by Julie Hollingsworth, the meeting was adjourned at 6:56 p.m.
Speakers	<p>Ms. Jeanette Jaquish spoke to the Board about several things: she suggests that the Board move the public comment section inside the televised portion; she opposes the District decision to provide free lunches for all elementary and middle school students; she wants the Board to remove the book <i>Thirteen Reasons Why</i> from our schools because she feels it glamorizes suicide; she would like the Board to allow students to withdraw from AP classes later than 6 weeks into the class if they think the class is too difficult for them; she would like the district Nutrition Services to be aware of the fruit they provide students – too cold and hard apples and other fruit that students don't like and lastly, she would like the Board to consider making the Criminology class in high school for older students only because they have read the book <i>Devil in the White City</i> as Freshmen and she thinks it an inappropriate book for younger students.</p> <p>PTA Northeast Region Vice President Kathie Green provided Board members with an update on PTA training and activities. Board members are invited to attend the first council meeting here at Grile on August 14. Food will be provided at 6 p.m. in front of Grile and the meeting will take place at 7:00 p.m.</p>
