Members present:        Stephen Corona, Chairperson  
                                 Robert A. Armstrong  
                                 Carol J. Coen  
                                 Carl A. Johnson  
                                 Jon J. Olinger  
                                 Geoff Paddock  
                                 Kurt A. Walborn

Members absent:        none

Approval of  
Minutes –  
July 28, 2003

A motion was made by Kurt A. Walborn, seconded by Robert A. Armstrong, that the minutes of the regular meeting of the Board of School Trustees held July 28, 2003, be approved. Roll Call: Ayes, unanimous; nays, none.

Vouchers

Dr. Wendy Robinson presented the vouchers for the period ending July 30, 2003, with the recommendation the vouchers be approved. A motion was made by Robert A. Armstrong, seconded by Carol J. Coen, that the vouchers appearing in the listing numbered 03-15 be approved without exception. Roll Call: Ayes, unanimous; nays, none.

2003 Northrop  
Elevator  
Project

Dr. Robinson presented the following recommendation concerning the 2003 Northrop Elevator Project:

**RECOMMENDATION:** It is recommended that the Board approve a construction contract at Northrop High School with Alternative Elevator Service Inc. in the amount of \$54,850.

Base Bid..... \$54,850

TOTAL RECOMMENDED CONTRACT ..... \$54,850

It is further recommended that the Board declare that an emergency exists at Northrop High School and that \$54,850 from the emergency account in the Capital Projects Fund be allocated for the payment of emergency elevator replacement.

**RELATED INFORMATION:** The only elevator at Northrop High School recently failed a safety test as required by the American National Standards Institute (ANSI). This 34-year old elevator needs replaced immediately because a number of Northrop students and staff use it for A.D.A. access to the upper floor.

Due to the nature of the emergency and the specialized work required, a proposal was solicited from our elevator maintenance company instead of using the normal bidding process. Planning and scheduling are under way so that the work can be completed as soon as possible.

A motion was made by Carol J. Coen, seconded by Jon J. Olinger, that the recommendation concerning the Appointments to the 2003 Northrop Elevator Project be approved. Roll Call: Ayes, unanimous; nays, none.

Purchase of  
Property -  
North Side  
High School

Dr. Robinson presented the following recommendation concerning the Purchase of Property - North Side High School:

**RECOMMENDATION:** It is recommended that the Board authorize the purchase of the following property located near North Side High School:

<u>Address</u>	<u>Appraisal #1</u>	<u>Appraisal #2</u>	<u>Purchase Price</u>
458 Stadium Dr.	\$75,000	\$76,500	\$75,750

**RELATED INFORMATION:** The current school site is significantly below the state minimum acreage recommendation. Funds are within budget.

A motion was made by Carol J. Coen, seconded by Robert A. Armstrong, that the recommendation concerning the Purchase of Property - North Side High School be approved. Roll Call: Ayes, unanimous; nays, none.

Student  
Discipline  
Appeal

Dr. Robinson presented the following recommendation concerning the Student Discipline Appeal:

**RECOMMENDATION:** It is recommended that the Board approve the recommendation of the superintendent and Board committee to refuse an appeal in a student discipline case.

**RELATED INFORMATION:** A student has appealed an order of expulsion to the School Board pursuant to Policy 5611. After review by the School Board president, superintendent, and legal counsel, it is recommended that the Board refuse to consider the appeal for the reasons that there is no unresolved issue of Board policy and/or there is no new evidence.

A motion was made by Carl A. Johnson, seconded by Carol J. Coen, that the recommendation concerning the Student Discipline Appeal be approved. Roll Call: Ayes, unanimous; nays, none.

Perkins Grant

Dr. Robinson presented the following recommendation concerning the Perkins Grant:

**RECOMMENDATION:** It is recommended that the Board approve the application for and acceptance of the Carl D. Perkins grant for \$878,379.00 for the 2003-04 school year. This is the 5th installment of a five-year grant given to the states from the Federal Department of Education under the Carl D. Perkins Vocational and Technical Education Act of 1998.

**RELATED INFORMATION:** The Area 14 Vocational Education Office, located at the Anthis Career Center, administers the Perkins funds for the benefit of over 3,000 vocational education students in Allen County, Columbia City, and Churubusco. FWCS is the fiscal agent for these funds and there is no requirement to match the grant with local funds. As in the past 4 years, the Perkins Funds have increased to support vocational education areas throughout the state.

The funding supports programs, services, and activities under the follow categories:

- Adult Continuing Education (apprenticeship classes and Youth Life Skills)
- Counseling and guidance services for area vocational education students
- Basic occupational and academic skills for special needs students
- Enhancing existing career and technical education programs
- Integrating occupational and academic education
- Providing transitional services and occupational skills development for handicapped students
- Supporting professional development associated with vocational education

This non-competitive grant written by Ron Flickenger, Area Vocational Coordinator, supports Strategy I, Personally Appropriate Education, of the Fort Wayne Community Schools Strategic Plan.

A motion was made by Robert A. Armstrong, seconded by Carol J. Coen, that the recommendation concerning the Perkins Grant be approved. Roll Call: Ayes, unanimous; nays, none.

Dr. Robinson presented the following recommendation concerning the personnel report:
