Purchase of
Property –
South Side

241 E. Oakdale Dr.	\$14,000	\$14,500	\$14,250

RELATED INFORMATION: The current school site is significantly below the state minimum acreage recommendation. Funds are within budget. Purchases of properties in this block will allow flexibility for the school to expand parking lots or playing fields

A motion was made by Kurt A. Walborn, seconded by Geoff Paddock, that the recommendation concerning the Purchase of Property – South Side High School be approved. Roll Call: Ayes, unanimous; nays, none.

2005 Additional
Appropriation
for Museum of
Art Fund,
Transportation
Fund and
Special
Education
Preschool Fund

Dr. Robinson presented the following recommendation concerning the 2005 Additional Appropriation for Museum of Art Fund, Transportation Fund, and Special Education Preschool Fund:

RECOMMENDATION: It is recommended that the Board hold a public hearing and adopt the resolution authorizing the additional appropriation for the Museum of Art Fund, Transportation Fund, and Special Education Preschool Fund.

RELATED INFORMATION: The Board adopted the 2005 Museum of Art Fund, Transportation Fund, and Special Education Preschool Fund budget on September 13, 2004. The Department of Local Government Finance wants Fort Wayne Community Schools to do an additional appropriation for the Museum of Art Fund in the amount of \$54,891 since revenue will exceed the budget adopted. Then the additional revenue can be forwarded to the Museum of Art.

The Transportation Fund additional appropriation is needed to fund the rising cost of diesel fuel for the buses.

The Special Education Preschool Fund received additional money from the State because actual enrollment increased over projections by 33 students. This additional revenue needs to officially be added to the budget, even though the money has already been allocated through the budget planning process.

HEARING: The additional appropriation has been advertised as required by statute. The intent of this hearing is to allow Board members the opportunity to receive public input and to consider the resolution. This was the appropriate time for members of the public to address the Board. No one spoke.

ADDITIONAL APPROPRIATION RESOLUTION

WHEREAS it has been determined that it is now necessary to appropriate more money than was appropriated in the annual budget,

NOW THEREFORE BE IT RESOLVED by the Board of School Trustees of Fort Wayne Community Schools, Allen County, Indiana, that for the expenses of the taxing unit the following additional sums of money are hereby appropriated out of the funds named and for the purposes specified, subject to the laws governing the same:

	Original Appropriations	Amount Requested	Revised Appropriations
MUSEUM OF ART FUND			
49000 – Non-programmed Charges	\$129,500	\$54,891	\$184,391
Total for Museum of Art Fund	\$129,500	\$54,891	\$184,391
TRANSPORTATION FUND			
25540 – Vehicle Servicing & Maintenance	\$2,279,138	\$400,000	\$2,679,138
Total for Transportation Fund	\$2,279,138	\$400,000	\$2,679,138
SPECIAL ED. PRESCHOOL FUND			
12810 – Special Education Preschool	\$960,100	\$110,000	\$1,070,100
Total for Special Ed. Preschool Fund	\$960,100	\$110,000	\$1,070,100

Adopted this 22nd day of August, 2005

A motion was made by Geoff Paddock, seconded by Kurt A. Walborn, that the recommendation concerning the 2005 Additional Appropriation for Museum of Art Fund, Transportation Fund, and Special Education Preschool Fund be approved. Roll Call: Ayes, unanimous; nays, none.

Renewal of
Insurance
Policies

Dr. Robinson presented the following recommendation concerning the Renewal of Insurance Policies:

RECOMMENDATION: It is recommended that insurance coverage for property, commercial general liability, inland marine, foreign package, business automobile, commercial umbrella liability, law enforcement professional liability, school leaders errors and omissions, and boiler and machinery be awarded through Acordia Insurance to four underwriting carriers at a cost of \$1,561,495.

RELATED INFORMATION: After several years of skyrocketing insurance premiums, FWCS and other commercial insurance buyers are seeing a break in the trend. Total premiums decreased 1.3 percent with this renewal effective September 1, 2005. Increased coverage was obtained for law enforcement professional liability, but other coverage remains the same as last year. The commercial package and business automobile coverage will remain with the Indiana Insurance Company. Indiana Insurance insures a large majority of the school corporations in Indiana and provides the best alternative among a limited number of carriers. They not only offer programs which afford the necessary coverage to address the exposures of a public school corporation, but provide the claims administration and risk management services to support their customers.

A request for proposals was advertised. Four agencies requested information but only Acordia provided a proposal.

A motion was made by Carl A. Johnson, seconded by Kurt A. Walborn, that the recommendation concerning the Renewal of Insurance Policies be approved. Roll Call: Ayes, unanimous; nays, none.

Public
Hearing on
the 2006
Budgets and
Capital
Projects Plan

Dr. Robinson presented the following recommendation concerning the Public Hearing on the 2006 Budgets and Capital Projects Plan

A public budget presentation was made at the August 8, 2005, regular Board of School Trustees meeting. All nine tax-rated funds and proposed budgets were discussed, and estimated tax rates were reviewed. The budgets were advertised on August 9 and August 16, 2005. The hearing on the nine tax-rated fund budgets and the Capital Projects Plan is scheduled for this evening's meeting of the Board of School Trustees.

The intent of the hearing was to allow Board members the opportunity to receive community input. Board members will be asked to vote on the 2006 budgets and the Capital Projects Plan on September 12, 2005. Kathy Friend, chief financial officer, was available to answer questions.

This was the appropriate time for members of the public to address the Board regarding the year 2006 budgets and the Capital Projects Plan. No one spoke.

Dr. Robinson presented the following recommendation concerning the Public Hearing on the 2006-2015 School Bus Replacement Plan:

Public
Hearing
on the
2006-2015
School Bus
Replacement
Plan

According to Indiana Code 21-2-11.5-3.1, effective July 1, 1995, the school corporation must conduct a public hearing on a ten-year bus replacement plan before the governing body may collect property taxes for the school transportation fund's school bus replacement account. The Bus Replacement Plan was advertised on August 9 and August 16, 2005. The hearing on the Bus Replacement Plan was scheduled for this evening's meeting of the Board of School Trustees. Board members will be asked to vote on the plan on September 12, 2005.

The Bus Replacement Plan calls for the purchase of 33 replacement buses for the 336 bus fleet. Due to the tax neutrality requirement of the pension bond law, we recommend that the purchase be reduced to 28 at the tax hearing. This bus replacement reduction will not negatively impact the fleet.

The intent of this hearing was to allow Board members the opportunity to receive community input and to consider the Bus Replacement Plan. This was the appropriate time for members of the public to address the Board regarding the Bus Replacement Plan. No one spoke.

Read 180
Intervention

Dr. Robinson presented the following recommendation concerning the Read 180 Reading Intervention:

RECOMMENDATION: It is recommended that the Board approve a contract with Scholastic in the amount of \$259,000 for a technology-based reading intervention to be piloted in three middle schools during the 2005-2006 school year. The contract falls within the "special purchase" codes IC 5-22-10-7, 5-22-10-8, and 5-22-10-13, and will be funded through remediation grant money.

RELATED INFORMATION: Read 180 is a one-semester researched-based reading intervention for secondary students who are reading significantly below grade level. It aligns with the district literacy models and provides one-to-one technology-based tutoring. Results in other districts have averaged reading gains of 1 to 3 years when the student completes the Read 180 program as it is designed. The program includes specific coaching in techniques to enhance the reading process and multiple opportunities for students to practice their skills and track their progress. Detailed reports are provided to the student, the parent, and the teacher. From the reports provided by the program, teachers can continue to personalize instructional activities to support each student.

The district will be piloting the program at Northwood, Miami, and Shawnee Middle Schools beginning in January 2006. Extensive preparation has occurred to ensure that the necessary technology support will be in place and that students most in need of reading remediation will be scheduled into the program. If results of the pilot are positive, consideration will be given to expansion to other middle schools using additional remediation funds.

Motion to
Table –
Defeated

After discussion, a motion was made by Kurt A. Walborn, seconded by Robert A. Armstrong, that the recommendation concerning Read 180 Intervention be tabled. Roll Call: Ayes, Robert A. Armstrong and Kurt A. Walborn; nays, Carol J. Coen, Stephen Corona, Carol A. Johnson and Geoff Paddock. The motion to table did not pass.

A motion was made by Carl A. Johnson, seconded by Stephen Corona, that the recommendation concerning the Read 180 Reading Intervention be approved. Roll Call: Ayes, Carol J. Coen, Stephen Corona, Carol A. Johnson and Geoff Paddock; nays, Robert A. Armstrong and Kurt A. Walborn. The motion passed.

School
Resource
Officer
Program

Dr. Robinson presented the following recommendation concerning the School Resource Officer Program:

RECOMMENDATION: It is recommended that the Board approve the agreement between Fort Wayne Police Department (FWPD) and FWCS for the purpose of continuing the School Resource Officer (SRO) program for the 2006 calendar year.

RELATED INFORMATION: The SRO program began in the 1999-2000 school year with a pilot program at Snider High School, funded initially by a federal grant, COPS in School 2001. The grant expired in 2004 and the program then was funded entirely by the FWPD. The city can no longer fully fund this program and has asked that we share in the cost. The FWCS portion will be \$108,000 and the city will fund the balance, \$282,931.

This program places a full time trained police officer with a police cruiser in each of our six high schools. These officers also provide services to each of the high school's feeder schools.

A motion was made by Robert A. Armstrong, seconded by Carl A. Johnson, that the recommendation concerning the School Resource Officer Program be approved. Roll Call: Ayes, unanimous; nays, none.

First Day of School Video

Today nearly 32,000 students packed their book bags full of school supplies and made their way to our classrooms to begin the 2005-06 school year. A video was shown taking a look at how the day went in a few of our schools.

Comments	<p>Dr. Wendy Robinson commented on the great start to the school year. She thanked all the schools, departments, parents and students. Dr. Robinson also thanked the people responsible for the Book Bag Project, which supplies book bags for needy students. The 20-30 Club took students on a shopping trip for school supplies.</p> <p>Geoff Paddock commented that he took pleasure in visiting schools for Jump Start. The opening of school was smoothly run and it was great to see the clean schools with sparkling floors. Everyone was organized and enthusiastic.</p> <p>Carol J. Coen had a good visit at Geyer and Bunche and the students seem relaxed and on task.</p> <p>Stephen Corona commented on a letter he received from the Fort Wayne Peace Action about students being provided the opportunity to “opt out” of providing recruiters with personal contact information. Schauna Findley, curriculum director responded that juniors and seniors are being sent a form to submit if they choose.</p>
Next Meeting	<p>The next regular meeting of the Board is scheduled for Monday, September 12, 2005, at 7:00 p.m. in the Lester L. Grile Administrative Center.</p>
Signatures	<p>Documents to be signed by members of the Board were the Regular Board Meeting Minutes from August 8, 2005, Payroll Certification, Additional Appropriation Resolution, and Voucher List.</p>
Adjournment	<p>There being no further business, upon a motion by Robert A. Armstrong, seconded by Carl A. Johnson, the meeting was adjourned at 8:20 p.m.</p>
