Levy
Neutrality
and
Resolution

RECOMMENDATION: It is recommended that the Board approve reductions in the Bus Replacement Fund and the Capital Projects Fund Plan to support the tax neutrality requirements of the Pension Bond.

RELATED INFORMATION: Public Law 199 requires that districts, who issue a pension bond to replace their retirement severance programs, must make the annual bond payment a tax neutral event to taxpayers. As a result, Fort Wayne Community Schools has chosen to reduce the levies in the Bus Replacement Fund and the Capital Projects Fund Plan. With this reduction the district will purchase eight fewer buses and will reduce its Capital Projects Fund Plan.

RESOLUTION SEPTEMBER 8, 2008
PENSION BOND FUND LEVY NEUTRALITY

This resolution is adopted by the Board of School Trustees of The Fort Wayne Community Schools, Allen County, Indiana.

WHEREAS the Pension Bond Fund expected levy of \$3,470,216 needs to be tax neutral.

THEREFORE BE IT RESOLVED that the tax levies of Bus Replacement Fund and CPF will be reduced. It is expected that the tax levies will be reduced as follows:

CPF	\$2,602,662
Bus Replacement	867,554

The Board further agrees that any levy greater than \$3,470,216 will be reduced from the Bus Replacement Fund.

Closing of
Capital
Projects in
the CPF

RECOMMENDATION: It is recommended that certain Capital Projects Fund (CPF) programs be closed. It is further recommended that the Board approve the resolution to reduce the attached list of CPF programs.

RELATED INFORMATION: CPF project appropriations expire either when they are spent or when the Board takes action to close the project. A project needs to be closed when the purpose for the appropriation has been achieved.

Unspent appropriations in projects that are completed and closed revert to the fund balance where they become available to be reappropriated for another project. The attached list of unspent appropriations will help fund the 2009 CPF plan.

WHEREAS there is a need to reduce certain 2001 through 2007 Capital Projects Fund (CPF) projects,

WHEREAS such a reduction is necessary prior to reappropriation of unspent funds,

BE IT THEREFORE RESOLVED by the Board of School Trustees of the Fort Wayne Community Schools in Allen County, Indiana that the Capital Projects on the attached page be closed.

Property Tax
Levy
Shortfall
Appeal and
Resolution

RECOMMENDATION: It is recommended that the Board approve a resolution to petition the Department of Local Government Finance to levy additional property tax levy of \$1,310,412 to recover levy shortfalls.

RELATED INFORMATION: Indiana Code 20-45-6-5 provides for an increase in the property tax levy whenever the assessed valuation figures that were provided to and used by the school corporation to determine the property tax rate did not accurately reflect appeals filed by property owners.

The appeal process requires the Board of School Trustees to approve a resolution for a shortfall appeal. The School Property Tax Control Board makes an initial recommendation to the Department of Local Government Finance on the appeal, which has ultimate authority to decide the appeal.

RESOLUTION
September 8, 2008
Petition to Appeal 2006 and 2007 Levy Shortfall

The Fort Wayne Community Schools, Allen County, State of Indiana, has determined that it needs authority to levy an additional property tax levy to recover a levy shortfall, pursuant to Indiana Code 20-45-6-5, as follows:

	<u>2006</u>	<u>2007</u>	Total
General Fund	\$ 765,950	\$ 249,872	\$ 1,015,822
Transportation Fund	<u>220,579</u>	<u>74,011</u>	<u>294,590</u>
	\$ 986,529	\$ 323,883	\$ 1,310,412

The governing body of said school corporation is hereby resolved to proceed with a petition for excess levies to the Department of Local Government Finance.

A motion was made by John Peirce, seconded by Kevin Brown, that the recommendations concerning the Budget Adoption and Resolutions; Levy Neutrality and Resolution; Closing of Capital Projects in the CPF; and Property Tax Levy Shortfall Appeal and Resolution be approved. Roll Call: Ayes, unanimous; nays, none.

Application
for Common
School Fund
Loan

Dr. Robinson presented the following recommendation concerning the Application for Common School Fund Loan:

RECOMMENDATION: It is recommended that the Board approve the application for and acceptance of advancement from the Indiana Common School Fund for educational technology equipment for 2008 in the amount of \$1,950,000.

RELATED INFORMATION: Advancements from the Common School Fund provide funds for school districts to purchase educational technology. The Fort Wayne Community Schools (FWCS) will use these moneys to help fund the FWCS technology plan previously submitted to the state. Technology funds are currently insufficient to fund all the technology needs of the school corporation.

Funds are provided as a loan and are awarded to school corporations on the basis of assessed value (AV) per pupil, with low AV per pupil school corporations receiving funds before high AV per pupil corporations. FWCS therefore cannot be assured of receiving the requested advancement.

Should the application be successful, funds will be budgeted in the Debt Service Fund to repay this loan beginning in the year 2010. Interest on the loan is expected to be no more than four percent and is likely to be as low as one percent.

Common School Fund advancements differ from School Technology Advancement Account (STAA) loans, which FWCS receives on an annual basis. Unlike CSF advancements, STAA advancements are given to all applying school corporations, regardless of their assessed value per pupil ranking.

A motion was made by John Peirce, seconded by Stephen Corona, that the recommendation concerning the Application for Common School Fund Loan be approved. Roll Call: Ayes, unanimous; nays, none.

1028 Public Hearing and Resolution

Dr. Robinson presented the following recommendation concerning the 1028 Public Hearing and Resolution:

RECOMMENDATION: It is recommended that the Board hold a public hearing and adopt the resolution authorizing the installation of classroom technology at various Fort Wayne Community Schools buildings upon receipt of a Common School Fund loan.

RELATED INFORMATION: IC 20-26-7-37 requires that a public hearing be conducted for all building projects costing \$1,000,000 or more. This hearing has been properly advertised on August 23 and August 30, 2008. The hearing is scheduled for this evening's meeting of the Board of School Trustees. Following the hearing, the Board should take appropriate action on the attached resolution.

The intent of this hearing is to allow Board members the opportunity to receive public input and to consider the attached resolution.

This was the appropriate time for members of the public to address the Board regarding the 1028 Public Hearing and Resolution. No one spoke.

A motion was made by Mitch Sheppard, seconded by Kevin Brown, to close the hearing. Roll Call: Ayes, unanimous; nays, none.

The public hearing on the 1028 Public Hearing and Resolution was closed.

RESOLUTION SEPTEMBER 8, 2008
COMMON SCHOOL FUND LOAN

The Board of School Trustees of Fort Wayne Community Schools Corporation, Allen County, Indiana, met in the Lester L. Grile Administrative Center on September 8, 2008, pursuant to call, with members present, to conduct a public hearing pursuant to I.C. 20-26-7-37 and to consider the adoption of a resolution regarding the installation of classroom technology at various Fort Wayne Community Schools buildings. Proper notice by publication and explanations of the potential value of the proposed projects to the school corporation and to the community having been given, and interested parties having been heard concerning the proposed project, the following resolution was presented:

BE IT RESOLVED: That the Board of School Trustees of Fort Wayne Community Schools, Allen County, Indiana, has determined that a need exists for an expenditure of funds for the following project:

Installation of classroom technology at various Fort Wayne Community Schools buildings.

BE IT FURTHER RESOLVED: That the proposed construction and renovation will be done on land presently owned by Fort Wayne Community Schools Corporation, the estimated costs of the proposed projects are \$1,950,000, and the estimated completion date of the proposed project is October 2009.

BE IT FURTHER RESOLVED: That the proposed source of funding for the proposed project will be the Common School Fund loan pending approval from the Indiana State Board of Education.

BE IT FURTHER RESOLVED: That the proposed project will require an estimated \$.0138 of the Debt Service tax rate during the year 2010.

Duly adopted by the members of the Board of School Trustees of the Fort Wayne Community Schools Corporation.

A motion was made by Mitch Sheppard, seconded by Kevin Brown, that the recommendation concerning the 1028 Public Hearing and Resolution be approved. Roll Call: Ayes, unanimous; nays, none.

READ 180
Reading
Intervention

Dr. Robinson presented the following recommendation concerning the READ 180 Reading Intervention:

RECOMMENDATION: It is recommended that the Board approve a contract with Scholastic in the amount of \$157,250 for a technology-based reading intervention which was piloted in an elementary school during the 2007-2008 school year. The middle school version of the program was piloted in 2005-2007 and expanded to all middle schools in 2007-2008. Purchasing laws do not require competitive bidding when there is only one source for a product. Scholastic is the sole source provider for READ 180 products. The contract will be funded through Title I grant money. The following schools will be using the program: Fairfield, Forest Park, Indian Village, Maplewood, and Northcrest.

RELATED INFORMATION: READ 180 is a research-based reading intervention for students in grades 4-12 who are reading below grade level. It aligns with the district literacy models and provides one-to-one technology-based tutoring. Results in FWCS have averaged reading gains of 1 to 3 years when the student completes the READ 180 program as it is designed. The program includes specific coaching in techniques to enhance the reading process and multiple opportunities for students to practice their skills with independent level texts and track their progress. Detailed reports are provided to the student, the parent, and the teacher. From the reports provided by the program, teachers can continue to personalize instructional activities to support each student.

Extensive preparation has occurred to ensure that the necessary technology support will be in place and that students most in need of reading remediation will be scheduled into the program.

A motion was made by Mitch Sheppard, seconded by Kevin Brown, that the recommendation concerning the READ 180 Reading Intervention be approved. Roll Call: Ayes, unanimous; nays, none.

Group
Health Plan
Renewal

Dr. Robinson presented the following recommendation concerning the Group Health Plan Renewal:

RECOMMENDATION: It is recommended that the Board renew the contract for the self-funded health insurance program with Anthem Blue Cross and Blue Shield effective October 1, 2008 through September 30, 2009.

It is recommended that the Board renew the contract for the self-funded dental and vision insurance for the non-teaching staff with Anthem Blue Cross and Blue Shield effective October 1, 2008 through September 30, 2009.

It is further recommended that the Board renew the fully-funded dental and vision insurance for teachers through ISTA Insurance Trust and Delta Dental effective October 1, 2008 through September 30, 2009.

RELATED INFORMATION: Anthem has provided a renewal that includes 2.0% increase in administrative fees for medical and prescription; a 3.0 % increase in dental fees; and, no increase in vision fees. Reinsurance premiums are increasing by 15.3%. The overall projected effect will be a 9.4% increase in fixed fees of about \$169,421.

The renewal rate for the teachers' dental plan which covers both fixed fees and claims costs is an increase of 6.0% or \$90,003.

The rate for the teachers' vision plan which covers both fixed fees and claims cost is projected to remain the same.

The state is still experiencing medical trends at 13% each year with Rx at 16%, dental at 7%, and vision at 6%.

A motion was made by Stephen Corona, seconded by Mitch Sheppard, that the recommendation concerning the Group Health Plan Renewal be approved. Roll Call: Ayes, unanimous; nays, none.

A motion was made by Kevin Brown, seconded by John Peirce, that the recommendation concerning the Anthony Wayne Rotary Donation be approved. Roll Call: Ayes, unanimous; nays, none.

Motion to
