2015-16
Teacher of
the Year
Finalists

Dr. Wendy Robinson, superintendent, presented the following information and recommendations concerning awards and recognitions:

RECOMMENDATION: It is recommended that the Board recognize the teachers who were finalists for the 2015-16 FWCS Teacher of the Year.

RELATED INFORMATION: Each year principals nominate a teacher for the coveted FWCS Teacher of the Year selection. A committee composed of FWCS employees narrows the large number of nominees to a smaller group of finalists, who are then individually interviewed by the committee and a winner chosen. With so many outstanding teachers in FWCS, this is a very difficult process, and we would like to recognize the finalists for the fine work they are doing educating our students.

Please come forward as your name is read so that we may congratulate you.

Rachel Achenbach, 8th Grade Language Arts Teacher at Kekionga Middle School
Robin Peterman, Principal, Kekionga Middle School

Stephanie Martin-Jordan, 4th Grade Teacher at Weisser Park Arts Magnet School
Kent Martz, Principal, Weisser Park Arts Magnet School

Mary Vendrely, 6th Grade Language Arts Teacher at Lane Middle School
Mark Bailey, Principal, Lane Middle School

Amy Warren, 5th Grade Teacher at Scott Academy
Megan Orman, Principal, Scott Academy

Victoria Williams, Functional Skills Teacher at Indian Village Elementary School
Jay Peters, Principal, Indian Village Elementary School

2015-16
Teacher of
the Year

RECOMMENDATION: It is recommended that the Board recognize St. Joseph Central Elementary School Music Teacher Laura McCoy as the district's Teacher of the Year and a top ten finalist for the Indiana Teacher of the Year.

RELATED INFORMATION: Laura McCoy began her teaching career 35 years ago and has been at St. Joseph Central for six years. She was selected as Teacher of the Year because of her passion for teaching students at all levels, from those with special needs to high achievers, and for her ability to connect various disciplines through the arts.

McCoy believes every child should have the opportunity to study music. In addition to being a music teacher, McCoy has also been a driver education instructor for 35 years and now oversees the FWCS program.

“Laura is a great example of what it means to be a teacher in Fort Wayne Community Schools,” Dr. Robinson said. “She doesn’t just come to school, teach and go home. She is part of the community in a variety of ways, including serving on the board for the Fort Wayne Philharmonic Orchestra Youth Symphony, leading the Fort Wayne Philharmonic Friends’ annual Young Artist Concerto Competition and serving as a group facilitator at Erin’s House for Grieving Children. I am honored to recognize her as the FWCS Teacher of the Year.”

Ms. McCoy, we are honored to have you as part of the district. Please come forward so we may congratulate you:

Laura McCoy, 2015-16 FWCS Teacher of the Year
William Critell, Principal

2015-16
Special
Education
Grants

Dr. Robinson presented the following recommendation concerning the 2015-16 Special Education Grants:

RECOMMENDATION: It is recommended that the Board approve the acceptance of Special Education Grants from the Indiana Department of Education for the school year 2015-16.

RELATED INFORMATION: The Individuals with Disabilities Education Act, IDEA 2004, requires that after the base payment allocations are provided, additional funding is awarded to each district based on public and private school enrollments within the local school jurisdiction and according to the number of private school enrollments within the local school jurisdiction and according to the number of children living in poverty (National School Lunch Act participants). Funds are used to support salaries and fringes of approximately 145 staff members. These non-competitive grants are in addition to the Special Education Foundation payment.

For FWCS, the Part B Special Education Grant amount for the 2015-16 school year is \$8,177,103.00, a decrease of \$5,923.00 from last year. The Preschool Special Education Grant is \$285,829.00, a decrease of \$108.00.

These non-competitive grants are managed by Ann Barnes-Smith, Director of Special Education, and support District Goal I: *Achieve and Maintain Academic Excellence*.

Questions will be answered by Ann Barnes-Smith.

A motion was made by Julie Hollingsworth, seconded by Jordan Lebamoff, that the recommendation concerning the 2015-16 Special Education Grants be approved. Roll Call: Ayes, unanimous; nays, none.

Apple Inc.	Austin, Texas	\$201,960
------------	---------------	-----------

RELATED INFORMATION: The purchase of these iPads will allow teachers to support instruction through the use of digital content and the integration of educational apps to enhance instruction and to support differentiation of instruction. This purchase will provide for 540 additional student iPads to further expand access to mobile learning devices to 11 Title I elementary schools.

Training for use of these devices will be accomplished with the assistance of building coaches and building and area technology coordinators.

Funding will come from the Title I grant.

Apple Inc. is the sole source provider for their products. Indiana Law does not require bidding for purchases made from sole source providers.

Questions will be answered by Directors of Elementary Education John Key and Get Nichols.

A motion was made by Becky Hill, seconded by Julie Hollingsworth, that the recommendation concerning the Purchase of Apple iPad Airs be approved. Roll Call: Ayes, unanimous; nays, none.

RELATED INFORMATION: We are in the final year of a three-year renewal period that will expire on July 18, 2016. If approved, this would be the second three-year renewal period. Terms of the original agreement from 2010 allow for price adjustments for renewal years to compensate for inflation. The 2015 base amount is \$7,890,661.12.

Dr. Robinson presented the following recommendation concerning the Purchase of Property – Price Elementary School:

RECOMMENDATION: It is recommended that the Board authorize the purchase of the following property located near Price Elementary School:

Address	Appraisal #1	Appraisal #2	Purchase Price
2018 Huffman Blvd.	\$75,000	\$75,000	\$75,000

RELATED INFORMATION: The current school site is significantly below the State minimum acreage recommendation. Minimum land acquisition for this site is 10 acres; we are still short even with the purchase of this property by 2.12 acres. Purchase of property in this block will allow flexibility for the school to expand parking or develop grass play areas, parent pick-up or bus lanes. The property will be funded by General Fund.

Questions will be addressed by Director of Facilities Darren Hess.

A motion was made by Becky Hill, seconded by Julie Hollingsworth, that the recommendation concerning the Purchase of Property – Price Elementary School be approved. Roll Call: Ayes, unanimous; nays, none.
