Spanish being accepted into the International Spanish Academies Program.
Academies
Program – **RELATED INFORMATION:** Lindley Elementary School has been invited to join the International
Lindley Spanish Academies Program, a prestigious program partnering schools with the Ministry of Education
Elementary and Science in Spain. The program is made up of top-performing Spanish Immersion schools
School throughout the United States and Canada.

Lindley was recommended for the honor by the Indiana Department of Education earlier this year. After having an on-site inspection by a representative of the Spanish government and completing a detailed report of its program, the school is being recognized for its effort to help children to become bilingual in English and Spanish.

Lindley is one of only three public Spanish Immersion schools in Indiana and the only one in northern Indiana. It is unique in that Lindley is in an urban school district serving a racially and socio-economically diverse population and has no academic restrictions on who can attend.

The official incorporation of Lindley into the International Spanish Academies will take place during the annual seminar Nov. 28-30 in Los Angeles. Principal Gerald Arthur will attend the conference and meet educators from other ISA schools.

The following individuals were recognized.
