Northrop is one of 103 schools in the nation to receive the award this year. Northrop also placed in the top 5 percent of NFL chapters nationwide and qualified for the "200 Club." Appointment
of Project

Dr. Robinson presented the following recommendation concerning the Appointment of Project Architects for 2006 CPF Construction Projects:

RECOMMENDATION: It is recommended that the Board approve the appointment of project architects and engineers for each of the following 2006 projects:

<u>PROJECT</u>	<u>ARCHITECT/ENGINEER</u>	<u>ESTIMATED PROJECT BUDGET</u>
Geyer Montessori Renovation	Morrison Kattman Menzie, Inc.	\$1,250,000
General Building Systems I (general)	Kelty Tappy Design, Inc.	\$850,000
General Building Systems II (floor covering)	MSKTD & Associates, Inc.	\$270,000
Roofs	EDIFIS div. Martin Riley Mock	\$1,385,000
Traffic & Site	SCO Engineering, LLC	\$1,000,000
Disabled Accessibility	Martin Riley Mock Architects/Engineers	\$290,000
Mechanical I	MSKTD & Associates, Inc.	\$1,100,000

Mechanical II	Primary Engineering, Inc.	\$980,000
Electrical	SCO Engineering, LLC	\$275,000

RELATED INFORMATION: At its September 12, 2005 meeting, the Board of School Trustees approved the 2006-2008 Capital Projects Plan. This plan includes improvements at various schools and support facilities, as well as the renovation of Geyer Middle School for conversion to a Montessori school.

Area Administrators, Principals, and Business Division personnel participate in the selection of architects for the major building projects. Facilities administrators select architects and engineers for the remaining projects based on the individual strengths of each of the firms. A total of seven local engineering and architectural firms are included in this recommendation.

The physical plant improvement project budgets are estimated because final amounts are not yet determined. Bids will be taken for the projects and final amounts will be brought to the Board for final approval. This recommendation is to only approve the project architects. Indiana law requires that projects over \$100,000 make use of a registered architect or a professional engineer for developing plans and specifications.

Project architects/engineers need to be appointed now to allow sufficient time for planning and bidding of projects to ensure completion during the summer of 2006.

A motion was made by Jon J. Olinger, seconded by Robert A. Armstrong, that the recommendation concerning the Appointment of Project Architects for 2006 CPF Construction Projects be approved. Roll Call: Ayes, unanimous; nays, none.

Dr. Robinson presented the following recommendation concerning the Foellinger Foundation Grant – Summer Voyage Program:

Foellinger
Foundation
Grant –
Summer
Voyage
Program

RECOMMENDATION: It is recommended that the Board approve the application for and acceptance of a grant from the Foellinger Foundation in the amount of \$157,937 for the 2006 Summer Voyage program.

RELATED INFORMATION: Foellinger Foundation provides financial support to the Fort Wayne community for the purpose of strengthening families, particularly those children and families with the greatest economic need and the least opportunity. To participate in their competitive grant making process, Fort Wayne Community Schools has developed Summer Voyage, a four-week summer program for elementary students to build literacy skills. Based on students' reading level, approximately 510 children in grades K-3 will be able to attend the program offered at three elementary schools. Each grade level has a separate theme that will guide the literacy activities during the program.

Foellinger has supported FWCS Summer Clubhouse in previous years and community response has been very favorable. This focus of the grant has been narrowed to address our core business and help students maintain and develop their emergent literacy skills. Summer Voyage addresses advancement intended and outlined in Strategy 1: *We will ensure high levels of learning for all students*. The overall program is coordinated by Curriculum Services.

A motion was made by Jon J. Olinger, seconded by Robert A. Armstrong, that the recommendation concerning the Foellinger Foundation Grant – Summer Voyage Program be approved. Roll Call: Ayes, unanimous; nays, none.

To provide a special assignment facilitator to train teachers on the characteristics and educational needs of high ability students and on strategies for educating such students within the classroom.

Currently, gifted and talented services are delivered through the efforts of classroom teachers and supported by Thinking Skills Coaches in every building. The overall program is coordinated by Connie Collins in Curriculum Services.

The grant addresses advancement intended and outlined in Strategy 1: *We will ensure high levels of learning for all students.*

A motion was made by Kurt A. Walborn, seconded by Carl A. Johnson, that the recommendation concerning the Gifted and Talented Grant be approved. Roll Call: Ayes, unanimous; nays, none.

This program supports advancement intended and outlined in Strategy 1: *We will ensure high levels of learning for all students.*

RECOMMENDATION: It is recommended that the board approve the application for and acceptance of the Title IV Safe and Drug Free Schools and Communities Grant from the Indiana Department of Education in the amount of \$173,695 of which \$33,454 will go to non-public schools.

RELATED INFORMATION: Title IV funding is provided to schools under the Elementary and Secondary Education Act (ESEA). The allocation is based on enrollments for both public and non-public schools in the FWCS attendance area.

This Title IV grant is an entitlement grant provided to supplement the general fund. Monies from Title IV will be used to provide an interactive program that instructs students about thinking patterns and how thinking errors can lead to irresponsible behavior. Lifeline, Inc. (Center for Responsible Thinking), a non-profit organization, will work with students that have been assigned to an alternative program from Fort Wayne Community Schools. Parent nights will be held at L. C. Ward to discuss strategies being taught. Also, \$34,700 will be used to purchase or update security equipment for schools.

Judy Platz, Manager of Pupil Personnel, is the coordinator of this non-competitive grant. Funds are used in support of FWCS Strategy 2: *We will provide a positive culture for students and staff.*
